

Enslaved by the Thompson's

I was returned to a sitting position and unstrapped from the chair.

I got out of the chair straightened myself up and knelt by the side ready for my next command.

There was a knock on the door and Master George entered the room,

"I see you have met my new sissy" he said, "I do hope she served well."

Mr. Thompson replied that I had performed very well indeed.

George then ordered someone outside to come in and I stared wide eyed as my wife appeared, naked except for red high heel shoes, her pussy shaved and a collar round her neck.

"Let me introduce you to the sissies wife" George said, "She is my new slave bitch."

"Tell my friends what you are" George said to my wife

"I am Masters white slut sex slave," she said humbly, head bowed.

"And tell them what you do for your master Slave" George added

"I am totally owned by my Master, I serve my Masters sexual needs, I am his to degrade, humiliate, to use in whatever way he wishes, all my holes are open to my master, I am his white slave cum slut"

"And what of your husband Slave?" George asked

"My husband is a sissy cock sucker Master, he cannot satisfy my needs with his pitiful cock, I need strong black men to service my needs Master, he is only fit to suck their superior seed from my well fucked cunt and ass Master. He is only fit to worship their cocks and assholes as the sissy slut he is.

"Is this true Sissy?" George asked looking down at me

"Yes Master, I am a pathetic sissy slut, only fit to service the needs of superior Masters and Mistresses. I am yours to degrade and humiliate, I serve to worship your cock and asshole and to clean your white slut slave, my wife." I replied head bowed in submission, my cock now hard in my panties.

"Stand up next to my slut slave" George ordered.

I stood and shuffled next to my wife.

"Lift your dress Sissy," He said

I lifted my dress revealing my cock bulging in my panties.

"Well look at that, Sissy is excited again" George said, "Is it the thought of sucking my seed from your wife's cunt Sissy? Would you like to ask me to fuck her?

"Yes Master, Sissy would like Master to fuck his wife, it would be an honour for sissy to lick Masters cum from which ever hole Master wishes to use on his slut slave" I replied.

Mrs Thompson stepped forward and put her hand between my wifes legs,

"George" She asked "Has the slut been taught to suck pussy?"

"No not yet sister dear" he replied "She has never been with a woman, although I am sure you will remedy that very soon, her tongue will no doubt grace your pussy just before your strap on uses her cunt"

Mr Thompson sat down on the edge of the bed, "Attend my cock sissy," he ordered, I crawled between his legs and after a quick glance at my wife I started to kiss and lick his cock as it began to harden. Mr Thompson then made my wife

step over me with her back to him and I was told to hold his cock up as she settled down upon it. I held his cock as her pussy enveloped it and all that was visible were his big balls. My wifes legs were open wide and as Mr Thompson held his legs open all I could see was my wife impaled on his thick black cock. "Keep kissing my balls Sissy" he ordered "Tell me how much you like watching a real man fucking your slut wifes cunt in between kisses."

I started kissing his balls as my wifes pussy juices ran down coating them in her goo.

"Thank you" kiss, "for fucking" kiss, "my wife" kiss, "I hope", kiss, "Master" kiss, "enjoys his new sluts cunt" kiss,

I was in awe of the way her pussy stretched around his black shaft, her juices now dribbling over Mr Thompson's heavy black balls as I kissed and licked them, tasting my wifes cum and his musky sweat.

I clenched the cheeks of my bottom together feeling Mr Thompsons cum beginning to leak round plug in my ass. I wanted to hump his leg as he fucked my wife before my eyes but had to make do with trying to get some friction between my raging cock and the silky material of my panties.

Suddenly I felt the gusset of my panties being pulled aside, the plug deflated and slid easily out of my cum lubed bottom. The plug was replaced by a finger probing my sissy love hole.

Mrs Thompson whispered in my ear "milking time sissy, watch as your wife gets filled with good black seed and feel your pathetic cock squirt in your panties"

Her finger hit the target and I moaned loudly between kissing and licking Mr Thompson's cock and balls as my wifes cunt rubbed against my nose.

I came within seconds of Mrs Thompsons finger rubbing my prostate, my cock pumping its load into my panties.

I looked up toward my wife who was riding Mr Thompsons cock, eyes closed in ecstasy as his thick black cock impaled her.

His balls tightened in his sac and I kissed and licked for all I was worth as he filled my wifes womb with his seed, as he slowed, cum mixed with my wifes juices leaked round his shaft, I eagerly lapped the delicious mixture as his cock slid out of her well stretch cunt, followed by a flood of semen and cunt juice.

"Clean your masters cock sissy" I heard Mrs Thompson order, I was already slurping up as much of the heady mix as possible, I had never seen my wife come so much.

While I was gorging myself on the cum leaking from my wife and hovering my masters crotch the plug was re-inserted into my sissy love hole and inflated, I realized I was pushing back against the insertion like a good slut should helping get the plug in deep so that when inflated the pleasurable rubbing on my insides would keep me horny for the duration.

Once cleaned my wife was told to lie on the bed displaying her freshly fucked cunt to all in the room.

I was ordered to kneel at the side of the bed in attendance.

George and Mr Thompson left the room leaving Mrs Thompson alone with us. My wife was about to be introduced to pussy sucking as Mrs Thompson moved to the foot of the bed her eyes fixed on my wifes gaping cunt.

"Now then slut" Mrs Thompson said to my wife "Keep those legs apart, I want to gaze upon your sloppy white cunt"

"Ever been with a woman slut?" she asked

"No Mistress" My wife replied "I have never done anything with a woman before"
"Have you ever fantasised about another woman, slut? the taste of another
womans pussy?, the tender touch of your tongue on her ass hole? Mrs Thompson
continued.

"Sometimes Mistress" my wife replied.

"Do you masturbate when you imagine these things slut?" Mrs Thompson asked,
"Do you slide your fingers inside your sloppy white cunt, do you squeeze your
puffy white tits? Finger your dirty white bum hole?"

"Oh yessssss!" Mistress my wife hissed.

"Do it for me now slut, rub yourself, push your fingers into your sloppy cunt and
your dirty white bum hole, show me how you cum slut" Mrs Thompson ordered.
My wifes hands moved to her cunt and she began rubbing herself in front of Mrs
Thompson, her fingers pushing in and out of her freshly fucked cunt, juice
dribbling down and lubricating her ass as she fingered herself down there too.
Mrs Thompson moved round to the head of the bed opposite to me and turned
my wifes head to look at her.

"Look at my lovely pussy slut, rub yourself at the thought of how your face will
soon be pressed against it, worshipping me like a good white slut should. You are
a worthless slut with a cunt and dirty bum hole to be fucked and a mouth to be
used, I am your Mistress with a pussy and ass to be worshipped." She said
"Yessss Mistress" my wife replied, finger fucking herself furiously, "I am a
worthless cunt, I want to worship my mistresses pussy".

Mrs Thompson reached down and began to twist my wifes nipples, my wife
began to moan loudly and her fingers worked her cunt and bum hole furiously as
she writhed on the bed.

Mrs Thompson straddled my wifes face lowering herself down so that my wifes
nose rubbed against her moist pink pussy.

"Can you smell my pussy slut? Does it make you lust after its taste?, would you
like to feel it slide across your face slut? Mrs Thompson taunted.

Yes mistress, please mistress use my face, let me taste your lovely pussy.

Mrs Thompson lowered herself onto my wifes face and began rocking back and
forth ensuring my wifes nose moved from her ass to her clitoris.

"use your tongue slut, taste my ass" she hissed. "Tell her sissy, tell her how good
it tastes"

"It tasted heavenly Mistress, Sissy enjoyed licking and sucking your ass very
much and hopes his slut wife will provide mistress with pleasure by enjoying the
lovely taste too" I replied.

My wife stopped rubbing herself and concentrated on pushing her tongue into
Mrs Thompsons anus as commanded. I was ordered to stand at the foot of the
bed and lift my dress and rub my sissy cock through my wet panties as I watched
my wife service our mistresses pussy while she displayed her wet sloppy cunt to
me.

My wife was soon sucking on Mrs Thompsons pussy, her chin glistened with
pussy juice as Mrs Thompson ground herself down on my wifes tongue, ordering
her to work it up inside her and taste her juices.

Once satisfied Mrs Thompson got up and made us both kneel before her.

"I am going to explain the rules of your service" She said.

"Sissy, you are a cock sucker, ass licker, cunt licker and cum swallower, you will
be fucked, humiliated and degraded. You will be expected to beg men to fuck you

and your slut wife and clean up after. You will be plugged when not being used, you will dress as a sissy at all times and curtsey to any person you meet. Do you understand?"

"Yes Mistress" I replied.

"You have a sissy lovehole and a sissy pee pee, you do not have a cock, you do not cum, you make sissy goo and only with permission. Is that clear"

"Yes Mistress" I replied.

"Slut, you are a fuck toy for your masters and a pussy slave for your mistresses, you do not suck cock that is your sissy husbands job, the only ass you will lick will be that of a mistress, your sissy husband licks all Masters ass holes and Mistresses too. You will be fucked in both holes as we see fit, you have a sloppy cunt and dirty bum hole and will refer to them as such at all times. The only time your cunt or ass will be licked will be by your sissy husband. Do you understand slut?"

"Yes Mistress" my wife replied

"You will always serve together as it will be more degrading and humiliating for you both, you will serve people you know and complete strangers, you will do this without question is that understood?

"Yes Mistress" we both replied.

"Now slut get up on the bed face down, legs apart, Sissy remove your panties and your plug." She ordered

We did as commanded and Mrs Thompson lubricated my wifes dirty bumhole.

"Now as a reward for being good slaves I will let you make sissy goo by pushing your pee pee into your wifes dirty bumhole. This will be humiliating for her because its you dressed as a sissy with your tiny pee pee and for you because I will milk you making your goo spurt very quickly. You will be expected to perform this as entertainment for us later."

I mounted the bed and guided my pee pee into my wifes dirty bum hole, she moaned quietly as I pushed it in, I was allowed to begin fucking her but soon I felt Mrs Thompsons finger on my sissy lovehole and no sooner had she pushed it inside me I spurted goo inside my wife.

Just a fantasy
