Brit works the counter in the studio, spinning on the chair waiting for someone to come in. *I wonder if I can tease Daniel into a quickie before we close up tonight.* Squirming a little she adjusts her jeans so she doesn't end up with a wet spot. She looks up in time to see a girl walk through the front door.

Hina walk though the door standing 5 foot 6 inches with small breasts pushing against a tight t-shirt, a skirt coming just below her ass. Her hair in a short cut the type that gave Brit the urge to play with it. "Uh, is this the Otaku Studios photo studio? I was hoping to get signed up for a photo shoot."

Brit smiles pulling out a sample book, and laying it on the counter. "You are at the right place. Here is our sample book do you have anything in particular that you would like to do?" *Maybe something naked, Daniel shouldn't get all the fun and she is definitely cute although a little boyish. I don't mind though.*

"Uh, I am not sure; I heard that you do cosplay shoots. Is that true?"

"Yes, Daniel the main photographer has done many cosplay shoots, as well as some more interesting shoots. We have a large wardrobe of clothes that are dry cleaned after every shoot, or you can bring in your own clothes or costumes. Is this a shoot for something special or is it going to be a private thing?"

Hina paces nervously. "Can you do both during one and what would a private shoot entail? *Man she is cute and I think she is hitting on me. I wonder how she would freak if she knew the truth about me.*

"We can do what ever you would like hun and a private shoot is what ever you feel comfortable with. If that is lingerie or if it is full nude it is up to you." *I hope it is nude I would love to get a taste of her.* "We have the portrait studio down here and several more studios upstairs and can cater to any style you would like. Daniel the owner and main photographer, is out for the day. I am Brit his assistant, I can do a shoot for you now if you would like, but it will be a couple of days before Daniel can get you in."

Hina looks around nervously and runs her fingers though her hair. "Can we do a basic shoot now so I can get my parents off my back and do you have somewhere I can change into something a little more appropriate for photos?"

"Sure can, and there is a changing room around the corner if you would like to borrow something from out wardrobe it is across from the changing room. I will be in the studio unless you would like to use one of the upstairs studios."

“I will have a look though the wardrobe and then can we do this upstairs? I have kind of a problem with people watching me.” Smiling at Brit she heads towards the wardrobe.

“That is fine I will set up the studio on the third floor, stairs are in the back I will see you up there in say ten minutes or so?” Brit closes up the studio while she watches Hina walk away grinning to herself as she stares at Hina’s ass. Adjusting her pants Brit grabs her equipment and heads up to the third floor, setting up the glamour studio.

Hina come up the back stairs dressed in a white formal button-up blouse and a loose pair of slacks, carrying her clothes. Walking into the studio she sets down the clothes and moves to the center of the screen. “So where do you want me?”

Naked between my legs... “Uh, give me a second and I will help pose you.” Brit finishes positioning the camera and drags over a chaise lounge. Moving behind Hina, Brit grinds against her trying to make it seem innocent. Brit poses her on the chaise lounge, before moving behind the camera and snapping pictures. Time passes as Brit takes the photos trying to tease and flirt with Hina as she does. Finishing the shoot she offers Hina a hand up pulling her in and taking a chance kissing her gently. “There is a bathroom next to the stairs that you can use to change back into your clothes.” Picking up the camera she kills power to the equipment and heads to the office smirking to herself.

Hina stares at Brit stunned as Brit walks into the office. Shaking it off she quickly heads to the bathroom, she pushes the door shut although it doesn’t latch and opens again slightly without her noticing. Quickly she pulls open the blouse and throws it into the corner, pulling her pants and panties off in one quick movement. Panties removed Hina’s secret is freed, sitting on the toilet Hina strokes her big cock thinking about Brit.

As the photos get downloaded to the computer Brit heads back towards the studio passing the bathroom door. Seeing it open Brit looks inside, stopping stunned as she realizes that Hina is hung. Smiling to herself she pushes open the door and moves over to her. “You know I was hope I would get into your pants as soon as you walked in but I never expected to want you to get into mine.”

Oh shit, what do I do now I didn’t want her to find out. “I can explain, just don’t...”

Pressing a finger to Hina’s lips Brit kneels down in front of her. “Shh, don’t talk just enjoy. I mean to fix what I caused.” Grinning she runs her hands over Hina’s legs and sides moving her hands away. Reaching down she takes hold of her cock licking the tip. Smiling up at Hina she starts sucking her dick with all the lust and passion of long separated lovers.

Letting out a deep a low moan, Hina lets a load go in Brit’s mouth. Breathing heavy Hina looks down at a grinning Brit. “Where did you learn to suck cock like that baby and can we take this somewhere besides the bathroom. I think I need a taste of that sexy body since you helped yourself to a taste of mine.”

Standing up Brit teases Hina’s growing cock, helping Hina up. *God I hope she know how to fuck I am so fucking wet.* “Follow me sexy, I hope you are ready. Know that I know what you are

packing, you aren't going anywhere till we both have some fun." Brit brought Hina close to her kissing her passionately as she reached around unhooking Hina's bra. Kissing down Hina's neck she kissed her way to her breasts sucking passionately on Hina's nipples, as Hina moaned.

Moaning under Brit's kisses, Hina tries to remove Brit's top and bra only to have Brit stop her and lead her into the bedroom. She follows close behind Brit catching her in the hall and pulling her close, grinding her cock into Brit's ass and pulling her close. Running her hands over hands over Brit's inner thighs Hina notices her wetness though her jeans, grinning to herself she teases Brit by rubbing her though her jeans, as they stumble though the hall into the bedroom studio.

Moaning and whimpering under Hina's touch Brit stumbles into the bedroom quickly turning around and kissing the naked Hina passionately while running hands over her back and grabbing her ass. Biting her lip Brit pushes Hina back onto the bed and kneels over her. "You want to put you big girl dick in me? You want to taste my sweet pussy?" Grinning to herself she does a striptease over Hina's lap. She slowly pulls her top to just under her ample breast pulling it back down teasing Hina and leaning into kiss her.

God damn she is a tease...I hope she doesn't mind me taking charge because if she is going to make me blow I want it to be in her. Reaching up Hina holds Brit into the kiss as she rips off the Brit's top and unhooking her bra. Kissing Brit's neck and down her chest sucking on her nipples. Listening as Britt moans Hina tries unsuccessfully to over power her and get on top.

Grinning down at Hina, Brit grinds into to her. "Not going to be that easy baby." Sliding off her jeans Brit rubs he soaked panties while Hina watches before pulling them off and moving over Hina's face. "You wanted you taste baby now enjoy and I might help you to make you big girl dick release." Giving Hina an evil grin she kneels over her face as she grabs Hina's cock playing with it teasingly.

Biting her lip Hina pulls Brit down and licks at her pussy lips and clit. Savoring Brit's taste she lets out a moan due to the contact Brit had with her cock. Grabbing Britt by the hips she pulls her close so that she can like her pussy. Hina buries her tongue into Brit's pussy making her scream out for more.

Brit rocks back and forth on Hina's tongue as she jacks her off. Using all her will power to pull herself off of Hina's skilled tongue Brit lowers herself onto Hina's massive girl cock, letting out a moan. Leaning in she kisses Hina passionately as she moves herself up and down on her cock. She leans in nibbling on Hina's ear, whispering and moaning directly into it. "MMM, you are perfect. You perfect you feel and caress like a women but fill me like only one other man has been able. I am sure he will enjoy returning the favor for you when he meets your perfect form. Now fuck me, I am yours just make me cum." Wrapping her arms and legs around Hina she slams herself down just grinding Hina's cock into her pussy.

Hina pulls Brit in tight rolling them both over. Lifting off of Brit slightly she kisses her deeply before slamming into her as hard as she can. Hina pulls Brit in close as she pounds into her. Hina sucks on Brit's nipples teasingly as she continues the pounding. Feeling Brit claw into her back sends Hina over the edge, give Brit one final thrust she releases a good load deep into Brit's wanting pussy. Pulling out of Brit, Hina moves down and licks her own cum from Brit's pussy lips.

Brit lets out a low moan pulling Hina up and kissing her deeply. "You were awesome baby. I just hope you can take it as well as you give it, Daniel is going to love my new toy." Grinning, she playfully grabs Hina's shrinking cock. "Can you stay with me for a while? It would be nice to have a girl to cuddle with again."

Hina cuddles against Brit running fingers through her hair. "I have to go my parents are probably freaking already. I hate to fuck and run but I do have to go. When can I get the pictures and please don't involve Daniel yet I have to think."

Brit kisses her gently playing with Hina's short hair. "As long as you come back and give me more of your awesome body and big dick, I don't mind hun. As for Daniel, trust me he is an awesome lay and has a nice dick just like you that you will love, but I will wait for your word. Give me till next week to process the pictures and then you can come in and pick out what you want prints of."

Cuddling with Brit for a while Hina finally gets up pulling on her clothes. "How much do I owe you for the sitting before we had our little fun, baby?"

Brit pulls her Hina down for another deep kiss. "Baby, you have more than paid me for it. We will work out something with the prints next week but you are good for the sitting. Now if you have to go I would do it now before I have to rape you again." Running a hand over Hina, Brit gives her an evil smile.

Hina reaches down and slides a finger into Brit, teasing her as she steals another kiss. Pulling the finger out, she sucks off Brit's juices. "See I can tease too baby. I will see the juicy ass next week." Smacking Brit's bare ass she heads down the stairs and out of the building, leaving Brit naked and wet up on the bed.

Moaning to herself Brit replayed the day in her head and pictured everything that she could do with Hina, and Daniel. Her fingers buried in her pussy. *Daniel, I hope your girls haven't worn you out. I need something thick inside me again.*
