Sitting alone in the studio, Daniel works one building the portfolio for Uke. Looking though the pictures he starts to realize that he has enough for a regular and an explicit portfolio. Finishing the standard portfolio he starts working on one for the explicit photos. His mind wondering as he works he remembers the outfits the Kitty got him as part of her revenge, and what he has added to them. Concentrating on the job at hand he finishes both portfolios setting them to the side. Letting his hormones get the best of him Daniel grabs a skirt and a tank top out of the box he stashed the stuff Kitty bought him in. Looking around the room to make sure no one was there he pulls a bag out from under the bed. Pulling out a pair of black bikini panties he retreats to the bathroom locking the door. Stripping down he gets in the shower washing his body clean. He pulls out a razor and starts shaving his arms and legs. Getting carried away he shaves all the hair from his body except for his head. Getting out of the shower he dries himself off, looking at the clothes on the counter starting to get nervous. *I have gone this far I might as well go all the way. Just last week I was one-hundred percent straight, or at least it thought I was. No I am standing here completely shave ready to pretend to be a girl, hell I am standing here wanting to be a girl and get fucked all night. Well here we go no turning back now.* Setting down the towel he picks up the panties pulling them on. Noticing how nice they feel her pulls on the shirt before hiding his hard-on and pulling on the skirt. Looking in the mirror as he heads back to the bedroom area, he smiles to himself about how cute he looks. Stretching out on the bed he falls asleep dressed as a Kitty's new girl.

As he waves goodbye to his father Uke walks up to the Otaku Studios building. Not sure what to do he hits the door bell on the side door by the elevator, Daniel took him up on the last time he was there.

Hearing the door bell Kitty gets up and takes the elevator down from the apartment. *Who could that be? I am not expecting anyone.* Opening the elevator door she finds Uke standing there looking confused. “Can I help you?”

Looking up at Kitty, really confused he looks around the buildings to make sure he is at the right place. “I hope so; I am looking for Otaku Studios. I thought this was the building but I guess I was wrong.”

Opening the elevator door all the way, Kitty motions for Uke to follow her. “You are in the right place. I am Kitty, Daniel’s girlfriend, and I take it that since Daniel hasn’t taken on anymore clients that he has told me about so you must be Kyosuke. You are much cuter then Daniel describes you. He is upstairs in the studio office working on something or another, I will take you up.”

Looking kind of nervous, Uke follows Kitty into the apartment. “Nice to meet you Kitty, call me Uke though everyone does. So do you two live here?”

Taking Uke on a tour though the studios Kitty guides him up to the office. “Yeah, I guess Daniel got a deal when he bought the place for the studio and decided to make use of the whole building. So he set up his studio over the first three floors and the apartment above. But that was all before I moved in.” Heading into the office Kitty looks around the main area looking for Daniel. Coming across the portfolios for Uke’s shot she looks though the first one. Damn, he is fucking cute. I am glad it was Daniel taking the pictures and not me, I would have end up raping the kid. “Hey, Uke here is your portfolio, if you want to look through it.” Noticing the second portfolio on the desk she picks it up thumbing through it. Noticing what the pictures were, she looked more carefully though it. *That fucker he can’t keep his dick in his pants. Had I known about his I would have may my revenge even worse. I wonder if he is fucking the cat-girl chick too. What am I saying, of course, he is. Hell I want to fuck her. Daniel is going to get it for this; I wonder if I can get Uke to help.* Closing the portfolio she hands it to Uke, with an evil grin on her face. “Looks like you two had a lot of fun doing that shoot.”

Taking the portfolio he finishes looking over the first before opening it. “Yeah, I had a lot of fun. I didn’t think that model would be that cool.” Opening the second portfolio he looks at the pictures, speechless. “Uh, I can explain, I thought he was single and uh. I honestly didn’t know he had a...”

Kissing him deeply Kitty cuts Uke off mid-sentence. “Don’t worry about it. It was Daniel thinking with his dick. I don’t care right now I just want to get even. You look around for him I am going to go grab my new toys. We are going to give him a little taste of what he gave you.” Running across the room she goes upstairs and grabs her box of toys from the bedroom.

Standing still, stunned over what just happened for several minutes Uke finally moves looking around the office for Daniel. Walking past the bedroom area he sees Daniel laying on the bed asleep still dressed in women’s clothes, his skirt messed up revealing his panties underneath. *I can’t believe I am doing this. He is in a relationship and I am helping his girlfriend get back at him for sleeping with me. There he is, maybe he can talk sense into Kitty. Wait is he? Oh my god, he is. He is wearing a skirt and panties! Fuck he does look good though. Fuck it; whatever Kitty is planning I am in.*

Kitty runs back up the stairs carrying her box of toys, seeing Uke standing over at the entrance to the bedroom she heads over, seeing Daniel herself. *Damn, the fucker likes it. Well this works out perfectly he wants to dress up like a girl. So when he does he is going to be my little slut girl.* Sitting down on the bed behind Daniel, she pats the edge of the bed as a signal for Uke to sit down. Noticing the rope tied to the headboard Kitty ties up Daniels hands, before shaking him awake.

Slowly waking up Daniel pulls at the ropes binding his hands. Shifting around, he looks nervously at Kitty. “Hey baby, what are you doing up here and why am I tied to the bed?”

Giving Daniel an evil grin Kitty nods to Uke. “Well I am here because, Uke here didn’t know where he needed to go to get a hold of you, and well you are tied to the bed because we found your portfolio of Uke porn. That and I feel that if you like taking pictures of us getting fucked, that we were going to take pictures of you getting fucked.” Reaching down she starts rubbing Daniels dick though his panties. “Then we found our little slut all dressed up and it got so much better.”

Pulling himself up Daniel looks between Kitty and Uke. "Uke? Uh, I can explain all of this please let me go and I will make it better."

Pushing Uke onto the bed Kitty straddles him. "Not going to work Daniel. You lost all bargaining chips when you kept his little jewel for yourself. I am going to have my turn with him while you watch and then my little slut girl is going to take it like the slut she is. The whole time we are going to get it on camera just like you did for Uke." Leaning down she kisses Uke deeply sliding her tongue into her mouth as she pulls his shirt up. Breaking the kiss she pulls Uke's shirt over his head returning to nibble on his neck. Pulling her top off, she sits on Uke bra exposed. "It's ok Uke, if you like what you see then show me."

Nodding Uke reaches up and grabs her boobs. Massaging them he fumbles with the clip on the front of her bra. Opening the clip he pushes the bra out of the way pulling her down to him. Taking a nipple in her mouth he pulls her bra off her and throws it to the pile of their clothes on the floor. Licking Kitty's nipples her goes with his instincts moving up and nibbling on her ear, biting her neck.

Moaning, Kitty leans doing close to Uke's ear. "I want to you eat my pussy Uke, show Daniel how a man makes love to his women." Lifting up her skirt Kitty reviles her bare shaven pussy. Lying on the bed she spreads her legs for Uke.

Straining against his ropes Daniel tries to get free for some relief, his dick tenting out his panties and skirt he lays there watching Uke and Kitty.

Lying between Kitty's legs Uke looks over at Daniel with a twinge of pity before feasting on the pussy in front of him. Licking up and down Kitty's pussy paying attention to the clit, Uke tries his hardest to please his lover.

Moaning loudly Kitty holds Uke's head into her crouch.

Removing his pants as he eats out Kitty, Uke looks up at her wanting.

Rolling them both over Kitty straddles Uke. Grabbing Uke's dick she lines it up with her pussy.

Gasping as Kitty grabs him, Uke looks up at her with fear and lust in his eyes. "Please be gentle I have never been with a women, only with Daniel."

Rolling on his side to get a better view of the action, Daniel nods. "I was the first to fuck his ass."

Sliding down onto Uke's dick, Kitty smiles and leans down kissing him deeply. "I am glad you told me. The way you eat my pussy I would have thought you had done this before."

Moaning Uke shakes his head. "No you are now my first, but keep going I want it."

Doing as he asks Kitty starts riding his dick, moaning as she slides up and down on his dick. Leaning down she kisses Uke deeply as she thrusts herself onto his dick. Pulling herself off of him she lays on her back on the bed. "Come here Uke, I want to see if you are as good with your dick as you are with you tongue."

“I will try Kitty but I don’t know what I am doing.” Getting on top of her he guides his dick into her pussy. Moaning with her he starts thrusting into her. Getting into a rhythm he starts slamming into her pussy.

Watching Uke fuck Kitty Daniel struggles against the ropes. “Kitty let me go. Please let me go I want play too.” Frustrated Daniel rolls over and tries to hump the bed hoping to get off.

Moaning Mimi grabs Uke’s ass pulling him into her. “Oh god, it feels so good. Oh, fuck me Uke; show Daniel how a man fucks his women. Daniel I hope you are enjoying the show...Oh god, harder Uke. Uke might not be as big as you but he...Oh God.”

Feeling himself about ready to blow, Uke starts slamming into Kitty as hard as he can. Uke pulls himself close to Kitty burying his dick in her pussy. Moaning loudly he shoots his load inside her, going weak with his arms wrapped around her.

Moaning as Uke cumms inside her Mimi leans up and kisses him deeply. “Congratulations you are a man. I damn good one at that. Now we get on to the punishment.” Getting out of bed she goes over to the box of toys and pulls out her strap-on. “You know what you get next right Daniel?”

Looking over at her Daniel watches her put the strap-on on. *No, don’t do this in front of Uke. Wait she must plan on using Uke to... Where the fuck did I go wrong, when did I go from a straight male to this. What Are you complaining about you love every minute of it. You want to be the uke and Kyosuke and Kitty to be the semes. God you can’t even call him Uke anymore. Damn it would someone just fuck me already.* “Please take me Mistress I have been a bad girl I should have told you about them.”

Watching Kitty put on the strap-on Uke looks over at Daniel. *Where did the seme that took me last time go? He looks so cute dressed up like that. Hell what do I have to lose?* Getting up Uke kneels in front of Daniel’s face pressing his dick to Daniel’s lips.

Shocked that Uke is doing this of his own free will he opens his mouth to say something only to have Uke slid into his mouth. Tasting Kitty on Uke’s dick, Daniel starts sucking his dick with passion, bobbing his head up and down on Uke’s dick.

Looking up from putting on the strap-on Mimi sees Uke already using Daniels mouth. Smiling to herself she pulls off his panties and flips him over onto his hands and knees.

Looking back as he turns over to see Mimi with her strap-on and a bottle of lube, Daniel lets out an audible gulp. Looking back up at Uke, Daniel pulls him closer by the dick and starts licking it like a lollipop before taking it all into his mouth.

Moaning out load as Daniel sucks his dick, Uke watches Mimi. “Are you really going to fuck him with that thing? It looks like it is huge.”

Flipping Daniel’s skirt up, she grabs the lube, generously lubing Daniels ass. “Yeah I am, and he loves it. It is about the same size as he is I think, so it is just like he is fucking himself.”

Smacking Daniel’s ass she kneels behind him. “I hope you are ready for your punishment my little girl.” Lining up the dildo she enters Daniels ass.

Taking all of Uke in his mouth Daniel moans around his dick, as the dildo slides into his ass. Moaning as he feels the dildo slowly fuck his ass he goes back to sucking Uke's dick.

Signaling for Uke to kneel in front of Daniel, Kitty starts pounding into him harder. Moaning as the strap-on rubs her clit she pounds into Daniel thrusting him forward.

Kneeling in front of Daniel Uke lifts Daniels head so that his cock is still in Daniel's mouth. Leaning his head back he starts to moan as he thrusts into Daniel's mouth.

Moaning around Uke's dick Daniel is thrown back and forth between Uke and Mimi by their thrusting. Feeling Uke build up, he pulls himself off Uke's dick looking back at Kitty. "Mistress, can Kyosuke cum in my ass? I want to feel him fill me."

"Hmm, that sounds hot. Let's see what the uke fucking the seme looks like." Pulling out of Daniel she lays on the bed next to them. "Go on Uke, get him how you want him and fuck him."

Rolling Daniel over onto his back Uke lifts Daniels ass off the bed and lines up his dick. Moaning as he enters Daniel, he starts thrusting into Daniels ass. *This is almost as good as fucking Kitty.*

Daniel moans loudly as Uke fucks his ass. "Oh god, yes fuck me Kyosuke." Straining to move his hands to his dick he can only struggle and moan.

Watching them Kitty, realizes why Daniel is straining against the rope. "Does my little girl need to cum? Well we will have to solve that won't we" Crawling over the bed to them she starts to suck Daniels dick. Bobbing her head up and down, she sucks his cock licking the sides.

Uke watches Kitty suck Daniels dick as he fucks his ass. At his limit Uke thrusts into Daniel's ass filling him with his cum.

The feeling of Kitty sucking his dick and having Uke cum in his ass was all Daniel could take. Moaning loudly he starts to blow his load in Kitty's mouth.

Catching Daniel's cum Kitty swallows as much as she can. Whipping up the residue that leaked out of her mouth she lays on her side.

Exhausted Uke pulls out of Daniels ass letting him fall back to the bed. Collapsing on top of Daniel Uke rests his head on Daniel's shoulder.

Reaching up Kitty unties the ropes around Daniel's hands, laying her head on his chest. "I am sorry if we were rough with you baby. You look hot as hell like that by the way."

Finally able to use his arms Daniel rubs his wrists looking down at them, Uke asleep on his shoulder and Kitty a lying on his chest. Fluffing the pillow underneath his head he wraps and arm around each of them. *Wow I never could have imagined that one. What is Kitty planning next?* Looking down and the grin on Kitty's face he falls asleep smiling thinking about all that has happened in the last couple of weeks.
