## ***A Boy's Love Chapter 1***

Chad is returning home from the gym and a quick trip to the grocery. It is 10 AM on Friday morning and Chad has a few days ahead to relax. There is a Cubs baseball game that comes on at noon and Chad plans to be in front of the television with a cold beer.

He finished and emailed two articles on travel in Tahiti to his editor this morning. He has 3 weeks to submit his next article. It is time to relax. As he pulls up in front of his townhouse, Chad sees a U-Haul truck that is being unloaded. It looks like his new neighbors are moving in. Chad wonders what they will be like.

Chad gathers his groceries and gym bag from the trunk and heads toward his door. As he does, Chad sees an attractive petite blond woman and a young boy are struggling with carrying a coffee table. Chad quickly sets his groceries on the ground and rushes to the woman's end of the coffee table and grabs it from her just before she drops it.

He help the boy carry the coffee table inside. They set the table in the family room. The boy looks at Chad and grins and says thanks.

Chad puts his hand out and introduces himself to the boy. As he does, Chad is struck by how beautiful...and beautiful is the only word that can describe the boy...this kid is.

Hi, I am Devin, the boy tells him. Thanks for helping. I thought we were going to drop the table.

While the introduction is going on, Chad is trying to decide how old the boy is. He thinks that Devin must be 13 but he barely looks like he is 12. It is as if puberty has missed this boy.

Come on I will give you hand, Chad tells Devin.

As they reach the door they meet Devin's mom struggling with a big box. Chad takes the box from her. As he carries it in the townhouse, Chad asks here where it goes. She tells him the kitchen.

By the time he reaches the door again he finds her with a slightly smaller box and he goes in the truck and helps Devin with the kitchen table. As they are carrying things in, it becomes clear to Chad that they do not have much furniture. He wonders why.

As they set the kitchen table down, Devin's mother introduces herself. Hi...my name is Elizabeth...my friends call me Lizzie. Thank you so much for your help.

Chad introduces himself and tells her she is welcome. Chad tells her that he thinks that he and Devin can get everything off the truck and suggest that she focus on starting to unpack.

By three o'clock the truck is unpacked and everyone is tired and hungry.

Chad suggests that they take the truck back to U-Haul and get something to eat while they are out. Lizzie agrees.

Chad tells Lizzie about his favorite pizza place and asks if that sounds interesting.

Before Lizzie can answer, Devin tells Chad that sounds great.

Lizzie smiles and tells Chad it is clear that she has been out voted. Devin looks embarrassed. Lizzie put her arm around him and gives him a peck on the cheek and tells him she is kidding.

Awwwww...Mooooommm! Devin says as he looks around the U-Haul store to see if anyone noticed.

As they head to their cars in the parking lot, Lizzie tells Chad that they will follow him.

Mom can I ride with Chad, he asks as he looks at Chad's BMW 325 fire engine red convertible.

Well...if it is okay with Chad. Lizzie sees Chad nod yes and grin.

I am guessing that riding in my Saturn will never be quite the same for Devin after riding with you Chad, Lizzie tells him.

When they get to the pizza parlor it is an authentic New York pizzeria complete with red and white check table cloths. After asking Lizzie if she wants a beet, Chad orders a pitcher and a Coke for Devin. He lets Devin pick the pizza.

Over lunch Chad learns that Lizzie and Devin have just driven the U-Haul from Fort Bragg.

My husband was an officer and we have lived in Germany, California and North Carolina. We rented furniture. It was easier. That's why we don't have much stuff. Lizzie tells Chad.

After a long pause where Lizzie and Devin exchange meaningful looks.

Mike was killed last month by and IAD in Iraq Lizzzie tells Chad as her voice breaks.

Tears welled up in Lizzie and Devin's eyes. Chad put a hand on their shoulder to comfort them. It was quiet for a few minutes until they got their composure back.

When we get back we'll get your bed set up so you have someplace to sleep. Where is Chad's bed?

I'll just grab a pillow and some blankets and sleep on the floor. Chad responds with a grin trying to put a brave face on a tough situation.

That is silly, Chad tells them. I have a perfectly good bed in my guest room that he can use until you get him a bed.

Oh we couldn't ask you to do that... Lizzie says.

I think it is too late. I think that I have already “adopted” the two of you. It is no big deal to have Devin bunk at my place for a while.

They head back to the townhouse and begin to unpack and set things up.

By 8 pm things were taking shape nicely. They finished making Lizzie’s bed and everything was in their closets.

Devin grab your things and the two of you come over. I have everything we need to make spaghetti, a salad and some garlic bread.

Devin grabbed a few things out of his suitcase and ran downstairs to catch up with Chad and his mom.

I will show Devin around upstairs if you will get dinner ready. Chad quickly showed Lizzie where everything she needed is located.

Chad leads Devin upstairs. On the way down the hall, Chad grabs a bath towel from the closet.

Here is the bathroom and the door straight ahead is your bedroom. Chad notices that Devin looks a little uncomfortable. Devin drops his things off in the bedroom and they head downstairs for dinner.

After dinner the three of them cleaned the dishes and sat down in the family room. Lizzie was asking for suggestions on where to shop for furniture. Chad see that Devin has nodded off to sleep. Chad grins at Lizzie.

I think we wore him out today. Chad says to her with a grin.

Huh...what? Devin asks.

Chad grins at Devin and suggest that he grab a shower and go to bed.

Devin gives his mom a peck on the cheek and sleepily trudges up the steps. They hear the shower start.

I hope he doesn’t go to sleep in the shower. Chad tells Liz.

I know he is not sleeping well. I hear him up roaming around at night and sometimes I hear him crying. Liz tells Chad.

I will keep an eye on him for you. He is a great kid. You must be very proud of him.

I am very proud. He has been through so much. I took him to the doctor for a physical two months ago. The doctor was concerned that Devin just turned 13 and he has not

started puberty. He wanted to start Devin on growth hormones and then hormones to stimulate fertility. I told him I needed to talk to Mike. It took a while to be able to schedule a private chat. Mike decided that we should go ahead with the growth hormones.

All of that has been very embarrassing for Devin. The doctor told me that when we started the treatments that Devin will have issues with having spontaneous erections and that his sex drive will go from zero into high gear. The doctor didn't exaggerate. The poor kid is hard all the time. He can't keep his hands off of it.

We went to the doctor two weeks ago and the doctor is pleased with Devin's progress. In two months his penis has grown and he has a tiny bit of pubic hair. The doctor said that his testicles have descended and he started him on fertility therapy. Lizzie tells Chad.

Is he masturbating yet? Chad asks her.

Lizzie blushes. The doctor wanted me to go home from our last appointment and ask him. He wants me to teach him how to do it. I just couldn't. I was too embarrassed and....

Chad waits and says nothing.

I was upset that the idea of playing with my son's penis turns me on. Lizzie starts to sob.

Chad moves to the couch and he puts his arm around Lizzie to comfort her. When she calms down, Chad tells her not to worry about getting turned on. Sexual activity is supposed to turn us on.

But not with my son? Lizzie asks

Lizzie I would be surprised if it didn't turn you on. With Mike being overseas I suspect your sex life has been limited.

Lizzie nods. The vibrator is the only thing that keeps me going. She sees that Chad is fully erect and has a wet spot on his pants. She cannot help herself. Her hand goes to his crotch. God Chad...I need a man. She rubs his erect member.

Chad begins to kiss her and she quickly unzips his pants. Chad is going commando and his erection pops out of his pants. Lizzie groans as her fingers explore his manhood. Her mouth opens and their hot tongues begin to duel.

Chad whispers in her ear about the possibility of Devin walking in on them.

I don't care...I have to have you. She tells Chad. Lizzie is wearing a skirt so it is easy for her to straddle Chad's lap. As she does so she pulls her bikini panties aside revealing her steaming vagina.

In seconds Lizzie has mounted Chad and taken his member to the hilt. His 7" thick member fills her aching vagina. His erection is grinding against her unprotected cervix. The discussion about teaching Devin to masturbate has Chad totally turned on. Chad's erection feels like it is made of stone.

Lizzie begins to slam herself against Chad's manhood driving them both close to the edge. She tries to slow things down a little and she rests herself against his pubic bone. The friction between his pubis and her painfully erect clitoris is too much. Lizzie cries out as the pleasure sweeps her over the edge.

Lizzie begins to pound Chad as she rides up and down his maleness. In her fogged, orgasmic state she feels his erection swell and his hot seed begin to fill her womb. Both of them are moaning and groaning as their hot juices flood each other. As they each come down from their climax, Lizzie is embarrassed that she has practically raped Chad.

I...uh...I'm...well I guess...she says.

Chad pulls her close and kisses her deeply as he thrusts his still raging erection into her. Chad rolls her on to her back and begins to thrust deeply into her. The intensity of their love making was so intense it was painfully pleasurable for Lizzie. In moments, she cries out again as another powerful orgasm wracks her body. She loves the feeling of his hot man seed filling her to the brim. They are so caught up in their bliss that they do not see Devin on the steps watching them. Devin smiles and rubs his penis as he goes back to bed.

Chad walks Lizzie next door and kisses her again. He looks deeply in her eyes and tells her it was wonderful. They kiss and hug again.

When Chad gets home he takes a shower and pulls on a pair of soccer shorts. He peaks in and sees that Devin is sound asleep. He sees Devin's naked shoulder and wonders if he is sleeping naked. He looks down and sees boxer briefs in a puddle on the floor beside the bed. He smiles with an answer to his question. He crawls in bed. As he lays there, he cannot help but think about the beautiful naked boy in the next room. Chad's erection grows as he thinks about being the one to teach the boy to masturbate. Chad drifts off to sleep and dreams about the masturbation lesson with Lizzie watching and pleasuring herself.

Chad's cock is leaking precum and he grinds his erection against the bed as he dreams about the jack off lesson. As he is on the verge of a wet dream, Chad is awakened by a blood curdling scream that is enough to levitate him out of his bed. It takes a moment and the sound of sobbing to realize that it is Devin.

Chad rushes into the guest bedroom. Devin is sitting up straight in bed sobbing. Chad sits on the edge of the bed and pulls Devin into a tight embrace. Chad gently rubs Devin's naked back. As the sobbing subsides, Chad continues to massage Devin's back

with his finger tips and with his other hand he runs his fingers through his blond hair. Chad is doing everything that he can to calm and comfort the boy.

As his fingers trace down Devin's spine, Chad realizes that he is now tracing down the naked crack of Devin's bubble butt. Chad is startled that his fingers have explored this beautiful naked boy. He pulls back as if to leave.

No....please stay is all Devin says.

Devin wraps his arms around Chad's neck and tries to pull Chad down beside him. Please!

As Chad lies beside Devin, the boy rolls on top of Chad. He hugs Chad and kisses him on the cheek.

Chad is beside himself. He is holding a beautiful naked prepubescent boy in his arms. Chad feels something hot and hard pressing into his soccer shorts. There is no question that it is Devin's throbbing boyhood. Chad is trying to think of anything that he can to keep from getting a massive erection.

In 20 minutes, Chad feels Devin's steady breathing and he feels the boy relax. Chad cannot help but enjoy the wonderful musky boy scent. Occasionally Chad feels Devin shift his weight and reflexively grind his young erection against Chad's thigh. Chad drifts off to sleep envisioning sucking down the boy's first wet orgasm. Chad is now rock hard too.

Chad occasionally stirs as he feels Devin shift his weight and move around some. Both sleep soundly until 8 am. Chad is awakened by the feeling of a warm erection gently rubbing against his leg. He quickly realizes that during the night Devin's erection has worked its way under the hem of his shorts and is now firmly pressed against his naked flesh. Chad also realizes that he has a powerful morning erection that nothing short of a good pee or an orgasm is going to make go away.

Devin starts to stir. He moans as he thrusts his erection against Chad's leg. Devin debates what he should do and decides to stay right where he is. Chad runs his fingers through Devin's hair and then begins to rub his back.

Good morning! Chad tells Devin.

Devin grins at Chad. He sleepily tells Chad thanks for last night.

Chad hugs Devin loving the feeling of his Devin's naked erecting pressing against his leg.

Devin snuggles cheek to cheek with Chad. Devin runs his hand over Chad's chest and stops to toy with Chad's erect nipple.

Chad still cannot believe that he is in bed with a naked and erect 13 year old boy.

Do you have a boner too? Devin asks Chad.

Chad nods yes.

Devin reaches down and traces the length of Chad's erection with his index finger.

The door bell rings. Chad jumps out of bed and runs down the stairs to answer it with his boner tenting out his soccer shorts. He looks out the window and sees that it is Lizzie. He opens the door. She walks in and admires the tent in Chad's shorts.

Seems like I just saw that, Lizzie says with a smirk. She hooks her index finger around his boner and lets it snap up toward his taut belly.

From the steps she hears her son' voice.. Cool mom! Devin tells her.

Lizzie blushes bright red and starts stammering.

It's okay mom...I saw you too last night. That was even cooler. Devin tells her.

You mean.... She stammers

Yeah while you were on the couch. You two were hot! Devin tells them.

Lizzie sees that Devin is only wrapped in a towel. Well...since we don't have any secrets come on down here. We need to have a talk.

Devin walks down the stairs. His towel is tented by his prepubescent erection. He has a worried look on his face.

She rubs his back as he walks by and she tells him it is nothing to worry about. Devin sits down and she sits beside him.

I told Chad about the growth hormones. Devin blushed and looked ashamed.

Chad sits on the arm of the couch next to Devin and puts his hand on his shoulder. It is no big deal. It happens sometimes and the shots kick things in high gear.

Remember when the doctor said he wanted to talk to me for a moment? Lizzie asks Devin

Devin nods yes.

We he asked me if you were masturbating and I told him that I didn't know. He told me to ask you and if you were not masturbating, he wants me to teach you how to. She tells Devin. Now they are both blushing.

Devin says, you mean....

Yeah Devin...masturbation is the real name for jacking off. Chad tells him.

Devin looks at them and tells them that he likes to rub it sometimes.

Devin did you watch us last night until we finished? Chad asks the boy.

Devin nods yes.

You know when we were moaning at the end...?

Devin nods yes again.

Well we were both having orgasms.

Is that when the seed comes out?

Chad tells him it is. The doctor wants to see if you can make seed or semen yet.

Devin nods...but how does that happen. He gets on his knees in front of Devin and opens the towel. I will show you, Chad tells Devin.

Devin's immature boner is standing tall.

What do you think? Lizzie asks Chad.

Chad knows he has to be careful how he answers. I think he is a sexy stud. Chad tells her. Chad is rock hard and he is beginning to soak his shorts with precum

I am guessing it was not long ago that Devin's erection was about 2 to 2 1/2 inches. Does that sound about right? Chad asks them.

Wait a minute. Lizzie dashes next door into her bedroom and returns with a medical file. She opens the file. There are photos of Devin's penis at the first doctor visit. According to the notes it was about 1.5" soft and 3" hard. They look at the photos.

Chad tells Devin, there is a big difference. See how much longer and thicker your erection is now. Now do you remember how I was thrusting my boner inside your mother last night?

Lizzie listening and seeing the photos and her son's throbbing boner is causing her juices to flood. Chad describing their orgasm to Devin almost pushes her over the edge.

Devin nods yes in answer to Chad's question about thrusting his cock in and out of Lizzie.

Well what we are going to do is stroke your penis and stimulate it like sexual intercourse does. When we stimulate it long enough you will have an orgasm like I did last night.

Chad reaches out and begins to stroke Devin's erection. As Chad strokes Devin, he can see that the boy has a few hairs at the base of his penis. He tells Lizzie and she leans in to see them. Chad is afraid that he is going to explode in his shorts.

Chad and Devin watch as Lizzie reaches out and plays with the blond pubic hairs with her index finger. She looks at Devin. Baby you are so hot looking. With her other hand she begins to massage Devin's testicles. She remembers how sensitive Mike's nipples were and she begins to stroke and pinch Devin's nipples.

Devin looks at them and tells them it feels really good...but it is kind of feeling weird.

Chad smiles and tells him that he is getting close to an orgasm. Chad speeds up his stroking and Devin begins to moan.

Devin is shaking his head from side to side and Lizzie can feel his testicles draw up in preparation for his orgasm.

Stop dude I feel like I am gonna explode, Devin tells Chad.

That is the way it is suppose to feel. Chad starts jacking the boy cock as fast as he can until Devin cries out.

Oh shit...oh man....oh...shit...

His young body was jerking and spasming as his penis thrust up through Chad's fingers. Chad can see that Devin's young body is trying to release his seed. At that moment a milky drop of semen is ejaculated from the tip of Devin's erection. Devin begins to thrust uncontrollably as Chad makes a fist for Devin to fuck. Chad and Lizzie see the penis ejaculate more semen from the boy. When he is done, there are four milky drops of semen on Devin's chest.

When Devin and Chad look at Lizzie they see that her shorts and bikini panties are on the floor and she is fingering herself. She tugs Chad over and pulls down his shorts. For the first time Devin sees Chad's erection. Lizzie watches as her son takes hold of Chad's member and explores it with his probing fingers. Chad moans with pleasure.

Chad reaches over and swipes a drop of boy seed from Devin's chest and immediately licks his finger clean. He does it again and holds out his finger for Lizzie to lick. She eagerly licks the boy's essence from Chad's finger. Chad takes one more drop and holds it out for Devin. Devin hesitantly tastes his own seed.

Chad spreads Lizzie's legs and puts them over his shoulders. He quickly penetrates her.

Chad thrusts as hard and fast as he can. He and Lizzie both desperately need sexual release. Lizzie cries out first and then Chad moans as he fills her with his potent seed.

As Chad comes down from the high of orgasm, he lets his manhood slide out of Lizzie. Devin leans over and watches as the thick white creamy man seed begins to leak out of his mother. He watches as a particularly large drop of seed escapes and he catches it with his finger tip. Devin looks at the creamy seed as his mother and Chad watch intently. He timidly licks their combined seed from his finger.

Chad hugs and kisses Devin. He hugs the naked boy. I am proud of you. You shot sperm...you are a man.

The three of them hug. Devin's penis is hard again.

Lizzie pulls Devin over and kisses him on the lips. She traces her tongue over his lips and he opens his mouth and allows his mother to kiss him passionately. Lizzie pulls up her t-shirt and Chad helps her pull it over her head.

Chad looks into Lizzie's lust clouded eyes and simply nods yes. Lizzie presents her sperm filled womanhood to her young son. As she pulls him closer, Devin's young member slides up her juicy crack until he is pulled into his mother's now incestuous vagina. Devin groans as the warmth of her love tunnel envelops his rock hard boyhood.

Devin begins to thrust his member in and out of his mother. Lizzie pushes his lips to her nipple and he nurses like he did 13 years ago. He increases the speed of his thrusting as the need to seed his mother overpowers him. H
