Beautiful Beach Boy – Chapter 2

When Cassie awoke the next morning, she thought about the fact that she had invited Steve over to spend the night tonight. He is really good looking she thought.

Cassie thought about how she had rubbed Steve's erection through his shorts yesterday while they were sitting at the bar at the Brew n Burger where she works. His erection felt thick and about 7" long. Cassie smiled when she thought about bringing Steve to a climax sitting at the bar. She was amazed at how much sperm jetted through the fabric of his shorts. She laughed at the huge wet spot on the front of his shorts and knew that his boxers had to be a total mess.

Cassie thought to herself that she needed to tell Steve to bring some protection tonight. She was right in the middle of switching brands of birth control pills and she had to go a couple of months with out.

As she walked down the hall she couldn't believe that she could hear Jesse moaning again in the middle of a climax. That boy could not shoot his load quietly. Cassie grinned and decided that Jesse gets that honestly because she is a moaner too.

Cassie decided that she was going to surprise the little sex fiend with their house guest tonight. Jesse could listen to her moan for a change.

That afternoon when Jesse got home from school, Beth was waiting for him and told him that she wanted to go surfing. That wasn't what she really wanted, but they could start with surfing. She was already in her rashguard top and bottom. Jessie noticed that the top was so tight that her nipples were clearly outlined.

Jesse as usual did not have a modest bone in his body. He grabbed his rashguard shorts and top from the clothes line. He stood there in the open stripping off his shirt and shorts and he tossed them on the steps to the house. He turned around to face Beth while he pulled up his rashguard shorts. His 5" penis was erect as he pulled the shorts over them.

Beth could feel the juices in her vagina begin to flow. She really needs Jesse's cock. Beth felt her juices begin to flood as she stared at Jesse pulling up his shorts. She hated to see him cover up that beautiful penis.

Once Jesse was dressed they grabbed their surfboards and walked toward the beach.

Beth told Jesse how hot she thought it was to watch him and Zach stroke their cocks yesterday afternoon.

Jesse I almost lost my mind when you and Zach shot your sperm all over the window. I hope you go it cleaned up before your mother got home.

Oh shit, said Jesse laughing. I knew I forgot to do something. Mom'll kill me. Beth you were so hot standing there naked and fingering yourself. Jesse put his arm around Beth. Watching you made both of us explode our cum all over the window. Zach said he has never cum so much.

Beth smiled, I bet she know you jackoff.

Yeah she does, said Jesse, she walked in on me when I was blowing a load yesterday. I couldn't believe it. She was really cool about it. She even grabbed my t-shirt and cleaned me up.

Beth said, Wow she was cool about it. My parents would have freaked, she said as they walked down the boardwalk to the ocean.

Beth and Jesse ran down toward the water and out through the surf until they were in water deep enough to paddle out. When they got out to where the waves were forming,

they each sat up on their boards watching for a good wave while they attached their ankle straps.

Jesse said, here comes a good wave.

They both started paddling with the wave and popped up on their boards at the same time. They were both good enough surfers to be able to surf in close quarters with another surfer with out a problem.

The rode the wave as far as they could and both of them rode up and over the wave. They jumped off into waist deep water.

Beth looked at Jesse and smiled.

Jesse said what? What are you smiling about?

Beth said I was just thinking about the dream I had about you last night.

Jesse said, no way...you were dreaming about me?

Beth said yeah we were surfing and right about here you grabbed me and kissed me. Then you were nasty.

What do you mean nasty? He asked.

I mean you had your hands all over me and you pushed my shorts down to my ankles and unzipped my top so that I was basically naked. Then I did the same to you. We kept kissing and stuff.

Jesse grinned and asked what kind of stuff?

Beth said, you felt up my boobs and then started to finger me while I was stripping you.

Then what happened, Jesse asked as he played with his super hard boner.

Beth told him that he picked her up and pulled off her shorts. She said I wrapped my legs around you and you made me a woman. It was so cool because between waves we were both naked from the waist down. Anybody who was watching could see us having intercourse.

Cool, Jesse said, but what did you mean about making you a woman?

Beth blushed and told him she was still a virgin.

Jesse said, yeah I am a virgin too.

Beth said, no way...as hot as you are that is hard to believe.

Jesse said, I was just thinking the same thing about you. You are unbelievably hot. He stepped over to her and embraced her. He kissed her lightly and tenderly.

He pulled back for a moment with a grin and asked what happened to their shorts.

She told him that she awoke fingering herself to a powerful orgasm and she lost track of what happened to the shorts. Beth said, I bet they drifted away and we had to walk 5 blocks home naked.

Jesse kissed her again and this time both of their lips parted and the kiss became very passionate. Jesse unzipped her top and began to play with her boobs and gently pinch her nipples. He then lowered his head to begin to suck on them.

Jesse grinned at Beth and said, I would rather not walk home naked but I would sure like to feel you up. Beth pulled down the zipper on her shorts and pushed them down to her knees.

Jesse unzipped his shorts too. Beth's hand gently cupped his manhood. Jesse moaned.

Jesse began to explore her labia. He quickly found her clit and gently rubbed it while he listened to Beth moan in his ear. Beth whispered to him, Jesse that is so hot. I love you baby.

Jesse's fingers probed her slit until he found the passage to her core. He gently slipped a finger in and quickly felt his finger come in contact with her hymen. This was so cool, he thought.

Beth was moaning as he gently fingered her and sucked her nipples. Jesse I need you.

Jesse said let's go back to my house. I don't think anyone is there. I want to do this right.

Steve and Cassie arrived at Cassie's house. As they walked up the steps, Steve noticed a huge cum shot all over the window and started to laugh.

Cassie asked, what is so funny?

Steve could only point at the window and he jokingly said, this must be a real exciting place to be.

Cassie shook her head and said, everything excites that hormone I call a son.

Steve shook his head and said, that is one powerful orgasm for a 13 year old.

Cassie could only shake her head in amazement.

She started dinner and then got out the Windex to clean the window while Steve opened the wine.

They each pulled up their shorts and Beth zipped her top. They walked up the beach to the boardwalk hand in hand. Jesse leaned over and kissed her.

They walked the five blocks to the house in silence. Both of them were thinking about the sexual adventure ahead.

When they got to his house, Jesse was shocked to see his Mom's car and another car in the drive way. Both kids were terribly disappointed.

Jesse told Beth he was sorry. She said she would be waiting for him tomorrow when he gets home.

The both took a quick shower. Jesse kissed Beth and held her close. He could feel his penis brush her vagina. The warmth of her womanhood was lightly embracing the tip of his manhood. Jesse so wanted to thrust forward and take her right in the shower. He knew that wouldn't be right.

Jesse reluctantly broke the kiss and said, until tomorrow...he gave Beth another quick kiss.

They both rinsed off their surfing gear. Jesse noticed that his mom carried his shorts and shirt up to the house. He was tempted to run upstairs naked, but he thought that would probably get him in trouble...that and he was still hard as a rock.

As he walked in the door, he found Steve the photographer sitting on the couch. Steve immediately noticed the bulge in Jesse's board shorts. Steve began to get hard.

Cassie was standing there with the Windex cleaning the cum off of the window while she introduced the two guys.

Jesse said he met Steve while he was surfing with Zach. Jesse blushed a bit as he watched his mother clean the cum stains that he and Zach left on the window.

I guess I really don't want to know how this much cum got on the window, Cassie said to Jesse.

Jesse grinned and said probably not.

Steve watched Cassie and Jesse. He was amazed at how comfortable the boy is with his mother cleaning his essence off the window. Steve looked at Jesse and told Jesse that the client really like the surfing shots that he took of Jesse and Zach. He is probably going to

use them in a magazine ad. Since it is for national usage, you will get paid \$1,000 if he uses them in advertising.

Jesse said that was really cool.

Jesse ran to his room so that he could change for dinner. He dropped his rashguard shorts on the floor. He grabbed a clean pair of cargo shorts and pulled them up over his still hard penis. Jesse found a t-shirt in the drawer and pulled it on. He dashed back out to the table for dinner.

When they were finishing dinner, Steve said I have to tell both of you something. He looked at Cassie and asked her if she remembered the story he told her about the boy and the horses on the beach. Cassie nodded slowly.

Steve saw that Jesse was blushing. Jesse quickly figured out most of the rest of Steve's story.

Steve said to Cassie as he pointed at Jesse, This is the blond god I was telling you about. I was in the dunes when this awesome looking dude started skim-boarding in the surf naked. Then the stallion and mare came out on the beach and the stallion mounted the mare.

Cassie continued to nod looking occasionally at her son's reaction.

Jesse was blushing and looked uncomfortable.

Steve continued saying, And then the blond god stretched out on the sand and began to masturbate. I got it all on film.

By this time Jesse was really blushing.

Steve said, it was the hottest thing I have ever seen.

Cassie asked, can I see the pictures?

Steve nodded yes thinking that this is probably going to be the end of his relationship with Cassie. Steve went down the steps to his car and got his laptop. As he was walking back to the house he was beginning to wish that he had not told them about the photos. Fortunately he had already backed them up so if she wants him to destroy them Steve would still have a set for some great jack off sessions.

Jesse what am I going to do with you. Do you know how much trouble you could get in for being naked on the beach masturbating? Cassie asked him.

Mooooom, it's no big deal. I was just choking the chicken.

Steve cracked up when he heard that. He started his lap top. In a few minutes he had opened the file folder and started the slide show. At first it was just the slides of the sunrise. Then Jesse came into the picture.

Steve stood behind Jesse and Cassie as they watched the slide show. Jesse was openly rubbing the bulge in his shorts and Cassie was starting to breath heavy. This was some of the most spectacularly beautiful photography Cassie had ever seen. The beauty of Jesse's body, particularly when he surfed back toward the camera with a raging erection only added to the beauty of the scene.

Cassie put her arm around her son as he got closer to the camera and the beauty of his erection became more apparent. They both watched in amazement as the Stallion ran on to the beach. As the stallion reared back and his massive erection was visible while Jesse skimmed by through the edge of the surf on his skimboard holding his own erection, both Cassie and Jesse gasp.

Jesse put his hand in the pocket of his shorts and continued to play with his erection as he watched the slide show. Cassie was unconsciously fingering her crotch as she watched. When Jesse saw that he took his hand out of his pocket and unbuttoned his shorts. He pulled down the zipper and let them fall to the floor.

Cassie asked him, Jesse what are you doing?

Jesse laughed and said, It's is not like the two of you haven't seen me jacking off. He then took hold of his rigid member and began to stroke it.

Steve was now rubbing his own penis. Steve thought this is the hottest thing he has ever seen. As the computer began to cycle through the photos of the stallion herding the mare out on the beach began, Cassie unbuttoned and unzipped her shorts and put her hand in her underwear.

Steve unzipped his zipper and pulled out his erection and began to slowly stroke it. He knew that if he stroked it very much he would explode in seconds.

The first photo of Jesse stretched out on the beach with the stallion mounting the mare in the background.

Jesse groaned and said, That is so hot...so fucking hot.

Cassie, while she was fingering herself, turned to her son and told him to watch his fucking language...and they all laughed. Her fingers were drenched with her own juices. It felt like she had already climaxed three times. When Cassie turned to look at Jesse masturbating, Cassie saw Steve stroking his erection. Cassie reached back and took Steve's member into her hands. She had to have Steve's hard member inside of her and Cassie didn't care what her little hormone thought about it. In moments her shorts and underwear were on the floor.

Jesse looked at his mother and was shocked that she would get naked.

Cassie leaned forward holding the chair in front of her. Her pert ass was up in the air as an open invitation for Steve to mount her. She parted herself making it easy for Steve to mount her.

Steve moved behind Cassie and merged with her much the same way that the stallion was mounting the mare on the computer screen.

Jesse could not decide what to watch the photos or his mother. Jesse knew his climax was near both in the photos and in real life. He passed the point of no return as he saw the first jet of his semen in the photograph. Seeing his penis erupt in the photograph was enough to push him over the edge. Jesse desperately needed release just as Steve and Cassie did. All three of their orgasms happened almost simultaneously.

Jesse was groaning loudly as he sprayed his semen all over the computer screen.

That was enough for Cassie and she cried out as she felt Steve's seed flood into her unprotected vagina. Wave after wave of their climaxes washed over them. They were all gasping for breath when their orgasms subsided.

As her climax subsided, Cassie realized that her son's semen is draining into Steve's computer. Steve was still semi erect inside of Cassie when she rushed to the kitchen for more Windex and paper towel. Steve groaned in disappointment as Cassie pulled off of his semi rigid member. His seed was still drooling out the tip.

She watched as her son studied Steve's still semi-erect penis which was covered with semen and his mother's juices. Jesse reached out and fondled it.

Jesse looked at Steve as he gently grasped the photographer's semi hard manhood. That is way cool Steve, Jesse said. You really have a hot looking cock. It's so big. Jesse noticed that it was beginning to become rigid again.

Steve grinned and said, I think your penis will catch up pretty soon. By this time Steve and Jesse were both fully erect again.

Jesse watched as his mother cleaned up another load of his semen. It was then that he noticed Steve's semen running down the inside of his mother's leg. That really turned him on. He kind of wanted to lick it up but was not sure how to ask if that would be okay.

Jesse turned around to take his mind off of the semen running out of his mother. When he did he looked out the window and saw Beth next door standing in front of her bedroom window naked. She was fingering herself.

Jesse looked at the clock and saw that it was still only 6:30. He grabbed his phone and called Beth's cell phone. He saw her grab it still standing in front of the window naked. By this time Steve and Cassie were looking out the window too. Jesse asked her to come over.

Beth pulled on a t-shirt and shorts and she ran out of the house for Jesse's house. When she got there she ran into Jesse's naked arms and he pulled her into a tight embrace. Beth blushed because she was the only one wearing clothes. She really wanted to ask what was going on but was afraid to ask.

Jesse explained the photos and then she understood. While he was explaining, Jesse slipped her t-shirt over her head. Then he unbuttoned her shorts and Jesse watched them fall to the floor. Jesse pulled her long blond hair back while he looked in her piercing blue eyes and leaned forward to kiss her. It was a long, tender and passionate kiss.

Jesse said, You are the most beautiful girl I have ever seen. Steve and Cassie looked at her and had to agree. Jesse's penis was throbbing against her abdomen.

Steve watched intently as Jesse stepped back slightly and Steve could see Beth's body for the first time. Steve admired Beth's beautiful 12 year old breast buds. As his eyes completed the survey of her nubile body he realized that she had only a tiny amount of pubic hair. Steve was taken with her purity and beauty. Steve reached in his computer bag and pulled out a small Nikon camera and began to snap pictures of the young couple.

Cassie stood watching the scene unfold. Cassie was taken with Beth's beauty. She watched Steve begin to photograph the couple. Cassie's right hand began to explore her own womanhood as she watched her son tenderly kiss Beth.

Cassie watched as Jesse bent his head to nurse on one of Beth's nipples. Cassie watched as her 13 year old boy's erection was drooling precum. Jesse turned his head and paid attention to the other breast. When he had sufficiently worshiped them he dropped to his knees saying that he had always wanted to do this.

Jesse gently parted Beth's swollen labia. His tongue darted out and found her erect clit and gently massaged it until she was moaning continuously. He took Beth and led her to the couch and sat her down. She sat back and exposed her womanhood. He gently parted her legs and began to lap her cunt. He would stop and occasionally bury his tongue as deeply in Beth as he could. He would probe her until his jaw hurt. Then he would go back to lapping her from top to bottom. In a matter of a few minutes Beth was crying out in pleasure. As her moaning increase so did the intensity of his attention to her clitoris. Moments later her body shook as it was wracked again and again by a mind numbing orgasm. Her body shuddered as each wave of pleasure washed over her.

Jesse was so turned on that he knew that the slightest breath of air rushing across his over stimulated penis would cause a massive and immediate orgasm without ever laying a

hand on his penis. He took a lot of deep breaths and waited a long while for the intensity of the feeling to die down.

When he stood up, Cassie held out her hand to Beth. Cassie looked at the beautiful young girl who was still flushed from a powerful orgasm. She studied the young girl who she knows is about to take her son's virginity.

Cassie put her arm around her beautiful naked son the four of them walked to her bedroom and the king size bed that awaited them. As they stood at the foot of the bed, Jesse took Beth's face in his hand and he looked her in the eye and said, I need you so bad.

Steve was capturing every moment of this life changing event. His camera shutter was the only sound as Jesse and Beth passionately kissed.

Beth hugged Jesse and then quickly lay back on the bed. Steve almost spontaneously climaxed as Beth spread her small muscular legs and her waiting virginal 12 year old vagina came into view. Jesse's penis started continuously drooling precum as he got on his knees and maneuvered his body toward his breathtaking objective. He bent and kissed Beth as he 13 year old erection found it's way naturally to Beth's core.

Steve continued to capture this beautiful scene with his camera.

Jesse gasped as he felt the hyper sensitive tip of his manhood make contact with the fiery heat of Beth's virginal labia. As their tongues dueled he gently moved the glans of his penis inside her vagina until he was in contact with her hymen.

Jesse paused and asked Beth if she is ready to be a woman?

Beth nodded and kissed him deeply as she felt his manhood tearing through her maidenhead. She cried out from the brief pain of penetration. Jesse slid his throbbing erection deep to her core and came to rest pressing against her cervix.

Cassie bent over again holding the foot of the bed so that Steve could mount her again and both of them could watch this most beautiful coupling. Steve continued to snap pictures even as he penetrated Cassie.

Jesse asked Beth if she was okay.

She breathlessly told him yes just give me a moment. Beth caught her breath. In moments, her tender young vagina began to ache for his virginal boy seed.

Jesse please fuck me...now...hard!

Jesse drew his penis back until only the glans was sheathed in her womanhood. The next sound was that of a slapping sound as their young, sexy young bodies merged. Jesse

began to work up a rhythm. Jesse felt himself on the edge of an explosive climax. He wanted this to last longer. He paused for a moment. He tenderly kissed Beth and told her that he needed to wait for a moment. Jesse kissed Beth and their tongues dueled as the tip of his erection rested against the entrance to her womb.

Jesse very slowly pulled his penis back and as he did he felt every ridge in Beth's vagina as his corona went over them. Each ridge sent an electric shock through his body. He very slowly pushed his penis into her womanhood. Each ridge felt like it might cause him to explosively fill her virgin womb with his boy seed. Each agonizingly slow thrust of their coupling drove him ever closer to an explosive orgasm. Jesse knew he had to seed Beth. He began to increase his thrusting. As Jesse started relentlessly building toward his orgasm, so was Beth.

Jesse fuck me baby, Beth said.

Jesse began to pound her pussy as his need to seed her went out of control and on the next thrust he delivered his potent teen seed to her womb. Beth cried out and her body shook with a violent orgasm. Jesse continued to thrust again and again. With each of his thrusts Jesse was filling her with his essence. Both of them cried out with orgasmic pleasure.

With each of Jesse's thrusts Beth cried out in pleasure and as her orgasm overwhelmed her. Beth cried out and dug her nails into Jesse's back as her young body was wracked by her orgasm.

When Steve heard Beth begging Jesse to fuck her, he felt Cassie's vagina spasming around his ultra sensitive cock. She literally sucked the essence from his raging member and the room was filled with the sound of bodies slapping together and the cries and moans of powerful orgasms. Their four bodies were completely drenched in sweat.

Cassie and Steve climbed up on the bed gasping for breath. Steve still had his camera in hand as Jessie rolled off Beth his beautiful penis still semi-erect and covered with a combination of his seed, her juices and traces of virginal blood. Steve captured the moment as Jesse's index finger grazed her nipple and she looked at him adoringly. Steve zoomed in while snapping away on Jesse's semi rigid boy hood and Steve could see their combined juices with a small amount of virginal blood on the boy's shaft.

Cassie could not help herself. She had always admired Beth and without thinking her hand went to Beth's other breast. She bent down and began to suck the nipple while stroking Beth's thigh. Cassie felt her son's fingers combing through her hair and down her back. He traced the crease of her ass as Steve captured the images. Jesse felt the combined essence of Steve and his mother. He could not help himself. He dipped his fingers in her vagina that was filled with their combined essences.

His mother moaned and continued to suck on Beth's nubbins as a baby would nurse. In a flash, Cassie was between Beth's legs with her head buried in her crotch. At first she

could only inhale the combine scents of her son and his lover. Then she had to taste his seed right from the source of her son's mating. Cassie dove in and began to suck the combined juices of Beth and Jesse while Beth cried out in pleasure. Jesse quickly maneuvered behind his mother and dove into her vagina as well. Jesse loved the taste of the copious deposits of Steve's seed and his mother's love juice.

Steve almost came as he watched the boy suck his seed from his mother. Steve tossed his camera aside and grabbed Jesse's raging member and began to suck it just as he had dreamed about. Steve loved the taste of Jesse and Beth. He could not wait for the boy's raging member to explode in his mouth.

Beth and Cassie were already in the midst of their orgasms and those sounds were enough to push Jesse over the edge. Jesse was on the edge of filling Steve's mouth with his seed. The boy thrust his cock deep into Steve's throat as he face fucked him. As soon as his mother's climax subsided Jesse moved so that he could 69 with Steve.

Beth and Cassie watched as the guys face fucked each other. Steve was close to the edge when Jesse started to suck him so it did not take long to push him past the point of no return. Soon he was pumping his cream into Jesse's hungry mouth. Jesse went over the top when he tasted Steve's semen. When their climaxes subsided and with their mouths full of seed, the guys grabbed their partners. Steve took hold of Cassie and kissed her deeply sharing Jesse's semen with his mother. Jesse kissed Beth and she tasted Steve's essence on Jesse's tongue.

Things were calm for a while as they held each other. Soon the lust and hormones of the youngsters overwhelmed them again. Jesse once again plugged his aching hard cock deep in Beth. This time he slowly developed a rhythm that built toward a gentler orgasm. They were all completely spent and drifted off to sleep.
