Adventures With My Best Friend Adam - Part 2

Let me start out with some background information:

I'm Scott and I'm 18 years old. I'm a senior in high school, and I have a best friend named Adam. I'm 5ft11, 190lbs with dirty blonde hair and blue eyes. Adam is 5ft9, 150lbs and ripped with light brown hair and green eyes...a total hottie!

I've always been attracted to guys...anytime I watch porn its always gay, even though I'm bi. I always thought that Adam was 100% straight, even though all of my fantasies had always been about him.

Ok now to the rest of the story:

The next morning my parents came up to my room and woke up Adam and I to tell us they were leaving. I followed them downstairs to say goodbye and lock the front door. After making sure no one would bother us I went back up to my room. Standing there butt ass naked in the doorway was Adam. God, he was beautiful.

Anyway, I walked up to him and before I knew it we were kissing. It was the best, most passionate kiss I think I've ever experienced and I've kissed a lot of people. We made out for about 10 minutes and by that time I could see he was rock hard and so was I. He said he was ready for round two so I asked him what he was willing to do. I about came right then and there when he said, "Everything!"

I could not hid the smile on my face as I said, "Evenfucking?"

"Especially fucking," he said, "I've wanted to fuck you for such a long time."

There was so much going through my mind right now as you could probably imagine. "Ok, you said everything, right? Well I have a fetish that I've always wanted to try."

"Ok, what is it?"

"I have a piss fetish," I said

"A what!!!" he screamed

"A piss fetish. I've seen tons of videos online of guys pissing onto other guys and them drinking it. I've always wanted to try it. Would you be willing?"

After a few seconds, which seemed like hours, he said, "I'll try it. I've never heard of that before but it sounds kinda kinky."

"Awesome! Lets get in the shower to do it so we don't make a mess."

We walked into the bathroom and he undressed me while we made out. We stepped into the shower and I told him to get down on his knees. "I promise I won't get it in your eyes. You don't even have to drink it if you don't want to."

"No!....I mean no its ok. I'll try it." Was he excited to be doing this?

I slowly let the piss escape from my cock. Since I hadn't gone yet this morning, I pee'd for about 3 minutes straight. Adam gulped down every single last drop.

When he stood up he said, "Ok, your turn!"

I got down on my knees and waited for his salty warm piss. He also pee'd for about 3 minutes, and I took every drop of it.

When we were done, I turned on the shower so we could clean ourselves up. I slowly rubbed soap all down his body starting with his neck and ending just above his waist, front and back. After rinsing him off I kissed him all over his upper body. He then returned the favor, cleaning my upper body and then kissing me all over.

I then took the soap and rubbed all over his growing penis. As I was rinsing his cock off he looked down and said, "You better get my ass to, just in case."

My cock became rock hard right then, but I wasn't gonna argue. I slowly rubbed his ass crack with the soap a few times, all the while listening to him sigh and moan. I then made him bend over so I could take a shot at his hole. This was the first time I had ever seen his asshole. It was beautiful. I could not wait to put my dick into that.

When I had given him one more rinse off, he returned the favor by cleaning my ass. Then he said, "Now let's go back to your room for some more fun!"

This was definitely going to be the best day of my life!
