

This is the beginning of a story that has just kept developing and seems to keep doing so. I'd like to hear any feedback you may have at [cuzimsosmooth@gmail.com](mailto:cuzimsosmooth@gmail.com). Remember this is a work of fiction, my real life is not really this involved or exciting LoL I hope you enjoy

## I CAN'T BELIEVE

*"I can't believe we just did that" said the dark haired woman. "Do you know what would happen if I got caught making out with a woman let alone having sex with one?" she stated while searching the car for her clothes.*

*"Calm down" she said while handing her bra to her. "We wont get caught. I personally know that no one ever comes to this spot at night. It's definitely deserted. Unless 2 other horny ass people are here too" the short-haired woman said laughing at the thought. "Besides..." the dark-haired woman says as she pulls her shirt over her head.... "I'm not trying to be caught any more then you are. So chill out and get your fine ass dressed"*

*"I just can't believe myself. I never do anything this impulsive. Yet, here I am in the back of your truck steaming up windows like we are 2 high school kids without a place to go" she said not being able to be completely frustrated with herself because she is still basking in the glow of the multiple orgasms she just had. "I'm a public figure. This can be so bad" she said jumping into the front seat of the truck.*

*The woman still in the back seat just sat back against the seat and giggled to herself at her completely freaking out. And to think, we just met a few hours ago*

**\*\*\*\*\*Flashback\*\*\*\*\***

**Four hours ago**

**INT. LIVING ROOM – EARLY EVENING**

**Several friends sit around in an LA suburb apartment drinking and laughing. A small gathering but there are people in other parts of the house.**

**Kris**

Ah G, you know you are lying. That shit ain't ever happening so you wont ever have to worry bout your bluff getting called

**Gena**

Maybe so, but in the event that it does yall mu'fukkaz need to know that I don't talk shit about what I can or cant do. I just handle my biz and let thangs sort themselves out.

**Gena slaps five with her friend Sheila in agreement.**

**Sheila**

I know that's right! Hell yeah! Cause I would wax that ass too. Damn my girl. She'd have to just get over that shit.

**Gena**

(Laughs)

Or not! Who cares cuz it's goin down

**Another one of the girls chimes in loudly**

**Brandi**

Yeah right! You know yo ass would be straight dumb founded if Nikki walked her fine ass up in here and gave you any kind of play

**Pat**

I know this is Los Angeles and all but come on now, why are we even talking bout this. Why would someone like her ever come to any of our places? Ever? In Life? She wouldn't. Like seriously

**Kris**

True that.

**Kris stands up and heads towards the kitchen. Gena jumps up to follow**

**Kris**

Anybody want anything to drink while I'm up? Where you goin G?

**Gena**

I'm goin to the bathroom. Is that alright with you?

**The room lets out a simultaneous "No" and Kris and Gena walk to the back of the house.**

**There is a knock at the door and Camille opens the door to reveal the girl group pop star Nikki S standing behind it. Everyone's mouth hits the floor**

**Nikki**

I'm sorry to bother you guys but my car is acting weird and this apartment was the only one with a light on so I thought maybe I could use your phone. Mine died about 10 mins ago.

**Camille steps aside to let Nikki inside and closes the door behind her.**

**Camille**

Of course you can use the phone. Let me go get it.

**Nikki**

Thank you. I feel like such a goof because I left my car charger at home and I am just far away that walking is not an option. How are you ladies doing?

**Everyone in unison says “We’re ok”. The scene is kinda eerie so Nikki looks at everyone quizzically**

**Nikki**

What’s going on? If its cause I’m famous, please don’t trip off that. I don’t!

**Brandi**

Actually Nikki, its because of the conversation we were just having just before you walked in here

**Nikki**

Oh really? What was it about?

**Shawn**

Well, in a word, YOU!

**Nikki**

Oh! Damn, I hope it wasn’t anything bad.

**Shawn**

(Laughing)

NOPE. Actually, quite the contrary. Our home girl in the back was talking bout all this shit she would say and do and how she would act if you ever were in her presence again.

**Nikki**

Oh really? So we’ve met before

**Sheila**

Oh yeah, I was there on one of those meetings. And it was quite the interesting exchange

**Nikki**

Oh so we’ve actually spoken?

**Sheila**

Yeah, yall did but it was more the non-verbal conversation that was the interesting part. She’s a REALLY big fan. Fawning over you since your early girl band days.

**Nikki**

Aww, That’s sweet

**Camille and Kris walk back in the room with the phone and Kris is in complete shock that Nikki S is in her living room**

**Kris**

No Way! Hi, how are you?

**Nikki**

I'm good. How are you?

**Kris**

(Shakes her hand)

I'm good. Yo! Does G know she's here yet?

**Sheila**

(Smiles devilishly)

She sure doesn't know. And I've got an idea

**Brandi**

I bet I know what you are thinking

**Sheila walks over to Nikki and places her arm around her like she is going to tell her a secret.**

**Sheila**

Listen, would you be down for a lil practical joke?

**Nikki**

Sure, why not. Y'all seem cool

**Sheila**

Great! OK, when Gena comes out here I want you to act like you are feeling her. But just a little so we can watch her bitch up.

**Nikki**

That doesn't sound all that funny. Plus, I'm not even into women. How am I supposed to act like I'm into her?

**Sheia**

(to herself laughing)

I bet that won't EVEN be a problem

**Brandi**

Look, just when she shakes your hand to say hello and introduces herself you just hold it longer than usual or something. That's all

**Nikki**  
(laughs)

Aight. I can do that. But if I think it's goin to far....

**Sheila**

Don't worry. We wont let it get out of hand. We are just gon' mess with her for a second.  
Cuz she be talking shit too much

**Pat**

No she doesn't. If she says she will do something, then she will. Trust me. I've seen it happen before.

**Just then Gena comes walking back towards the living room but stops shy of rounding the corner because she recognizes a strangers voice and is stopped in her tracks. She overhears Nikki contemplating what she is going to say to her**

**Nikki**

I'll just say that I need someone to drive me home

**Just then Gena walks in a cool as a cucumber**

**Gena**

That sounded like an invitation. I'm down. Who needs the ride?

**Gena looks up from fixing her clothes and realizes its Nikki S. her dream woman. The fantasy is staring her right in her face and they made sparks fly with their eye contact.**

**Nikki**  
(Gasps)

I know you. You following me?

**Gena**

(walks up to Nikki to shake her hand)

Absolutely.

Is that alright with you?

**Nikki**

(Not able to break eye contact)

No, that is perfectly alright with me.

**Gena**

(Smiles at Nikki)

You live far from here?

**Suddenly all the girls in the room look and notice the fireworks shooting between Nikki and Gena. They also notice that neither have let go of the others hand and one decides to break the ice**

**Brandi**

So how crazy is it that we were just talking about Nikki and here she is live and in the flesh?

**Sheila**

Crazy indeed! Isn't that right Gena?

**Gena**

(Still looking at Nikki)

Sure is.

Nikki, where are you parked?

**Nikki**

Just outside, but my car is koncked out

**Camille**

(Interrupts)

Which is why I brought the phone so you can call someone to come and take you home.

**Gena**

Yeah, that's not necessary. Seeing as how I'm driving her home

**Without any hesitation or resistance from Nikki, Gena leads her out of the apartment and downstairs to her car. No words were spoken by the women left behind until the car doors were shut and Nikki and Gena drove off down the street into the dense fog.**

**Kris**

(Confused)

OK! What the fuck just happened?

**Scene Fades**

**Flash Forward**

**INT. – APARTMENT CAR GARAGE – NIGHT**

**Gena and Nikki S are sitting in the truck talking. Gena is unsure of what is going to happen and if this will be the last time she ever sees Nikki again in this manner. Then Nikki breaks silence**

**Nikki**

So, how should I expect this to go now?

**Gena**

Umm this can go anyway you want it to. I am not here to try and complicate your life.

**Nikki**

I think it is a little late for all of that now.

**Gena**

(nervous)

Listen, I was just following what I was feeling and it seemed like you were too. Now, I can back up off of you and we don't ever have to speak again. Which is what I don't want. But I understand your position and we can play this any way you want it.

**Nikki looks over at Gena while she is speaking and realizes that she cannot even see her life without Gena in it. But at the same time, she is in the public eye and is a straight woman.**

**Nikki**

I don't know what I am supposed to be doing with all of this. I do know that I don't want this to be the last time we see each other. I don't know if I can do that.

**Gena**

(holding her excitement inside)

So, I'll call you?

**Nikki sighs deeply and then flirtatiously places her hand over Gena's**

**Nikki**

(smiles)

Not if I call you first

**Gena, no longer able to hold in her excitement, smile and leans in and covers Nikki's mouth with hers with the sweetest, softest kiss Nikki has ever received. And it's at that moment that Nikki knows that she is forever changed and cant ever go back to life as she knows it. So, much so that she has forgotten her prior engagement**

**Nikki**

So you want to come up?

**The girls smile at each other.**

**Scene Fades**

**Two weeks later**

**INT. – KRIS AND CAMILLE'S APARTMENT – EVENING**

**Kris opens the door and invites Gena in**

**Kris**

(Hugging Gena)

Hey, how have you been? You're here kinda early so we are still setting up

**Gena**

Oh that's cool. Where's C?

**Kris**

She's back here in the kitchen. Come on

**Gena follows Kris into the kitchen where Camille is cooking up some vegetables and stops to hug Gena.**

**Camille**

So how have you been doing?

**Kris**

(pushing Gena)

Yeah, how have you been doing?

**Camille**

Seriously, we haven't heard from you really since that night you left with the lady superstar

**Gena**

(laughing)

I knew this was coming.

**Kris**

Well hell, how long did you think it was going to be before we were going try and get the scoop? Shit! Y'all bitches were on fire when you left

**Gena**

I know, I know.

**Camille**

(laughing)

And since ain't nobody here yet, you can give us all the details. You can leave out anything you want once the crew starts grilling you later.

**Gena**

(smugly smiles)

I mean  
(pauses)  
I gave her a ride home

**Kris and Camille**  
(in unison)  
Uh huh! And?

**Gena**  
(Laughs out loud)  
You two are a trip. Ok Ok

**Camille continues cooking and Kris sits across the table from Gena all ears**

**Gena**  
Well, you saw us leave and drive off the street. I saw yallz nosy asses in the window  
when we left. So....

**Flashes back 2 weeks**

**INT. GENA'S TRUCK – LATE EVENING**

**Gena and Nikki are driving down the street about to turn on to a very busy Wilshire Blvd.**

**Gena**  
So where am I going?

**Nikki**  
Just keep driving down Wilshire. I live right on it some ways down. Not too far from  
UCLA

**Gena**  
(instantly thinking of a deserted patch of land over there)  
OK smooth. I know a girl that used to live over there right before Wilshire curves

**Nikki**  
Hmm, I bet you DO know a girl

**Gena**  
(laughing)  
Noooo, not like that. I just know her as a friend. Geez, what kind of girl do you take me  
for?

**Nikki**  
(very serious)

A woman that goes for what she wants at all costs

**Gena**

(Looks over at Nikki)

Not at all costs. I'm a bit more considerate of others than that. But I do go for what I want

**Gena makes a right turn off of Wilshire down a random street. And Nicole looks at Gena confused but doesn't ask any questions. Gena looks out the corner of her eye and sees Nikki's confusion and smiles at the thought of not being questioned.**

**Nikki**

So I hear that you were talking shit about what you would say and do if you were to get around me again.

**Gena**

(Laughing)

Who said I was talking shit? Them bitches said I was talking shit? Damn! What'd they say?

**Nikki**

(laughing)

They didn't get a chance to tell me anything so that's why I am asking you.

**Gena**

Sweetheart, I don't talk shit. If I wont or can't do it, then I wont say I can.

**At the stop sign Gena turns and looks at Nikki with an intensely animalistic glare. Nikki suddenly starts to feel a tingle between her legs**

**Gena**

Talking shit only leads to disappointments in my experience

**Nikki**

(clearing throat)

Yeah. Well, you obviously said something to make them think you were talking trash so what is it that you want to do with me now that I am in your presence again?

**After about 10 minutes down a winding road they come to a stop in a dark area and Gena turns her car off. After a few seconds of quiet Gena removes her glasses and turns towards Nikki and stares her deep in her eyes**

**Gena**

You are the sexiest woman I have ever laid my eyes on

**Nikki suddenly couldn't breathe and she couldn't look away. She was so captivated and turned on by this woman she couldn't believe herself as she reached out and**

**grabbed the back of Gena's head and pulled her towards her. Nikki's mouth hungrily attacked Gena's and Gena happily obliged. The two women's hands were all over each other like a true make out session for about a good 15 mins. No words, just moans and heavy breathing filled the cab of Gena's truck. Suddenly Gena pulls away**

**Gena**

It's more comfortable in the back.

**Nikki**

(Nervously)

OK

**Gena jumps out of the truck and opens the back hatch of the truck to lay the back seats down to make the space roomier. Nikki is sitting in the passenger seat having inner dialogue with herself.**

**Nikki**

(to herself)

What the hell are you doing? Are you seriously this wet for a woman? And you are going to sleep with her too.... I cant even believe you . You don't know how to make love to a female. What if she wants you to do her too, then what? OMG, you have no idea what you are getting yourself into.

**Nikki looks in the back and watches Gena make the back seat as comfortable as she can for her.**

**Nikki**

(to herself)

I can't believe that I am about to let this woman make love to me. All I know is that I want her so bad right now. Did I just say that? Yes, I did and I will do anything she asks me

**Then Gena summons for Nikki and holds her hand out to help Nikki come to back**

**Gena**

Come back here Honey. No need for you to get out of the car.

**Nikki climbs into the back and lays down on her side looking at Gena standing in the door watching her cat like movements.**

**Nikki**

You going to stand there all night?

**Gena**

Aboslutely not. I'm just taking it all in

**Nikki**

I love the way you look at me. Makes me feel like the sexiest woman in the world

**Gena climbs in the truck and closes and locks the door behind her. She crawls over to Nikki and hovers over her lips**

**Gena**

You are the sexiest woman in the world

**Gena lowers herself on top of Nikki and kisses her. Gena's hands slowly begin to explore Nikki's body beneath her. The softness of her skin under her hands, the rise and fall of her supple breasts as she breathed, and the curves of her hips. The spaghetti strap shirt Nikki was wearing came off with ease revealing her perky dark nipples. Nikki's breathing was all over the place because she was both excited and scared of this crazy new experience. Gena looks up at Nikki to make sure she is ok all the while softly rolling her nipples between her index finger and thumb. Nikki begins to squirm and Gena knows she is getting anxious and flicks Nikki's right nipple with her tongue before wrapping her lips around it and sucking it gently at first. Nikki gasps with pleasure and places her hand behind Gena's head, inviting her to continue her frenzy on her tits. Gena was in complete disbelief and ecstasy as she went back and forth from the left to the right nipple. This had to be a dream, Gena thought as she climbed back up and kissed Nikki. Their tongues frantically wrestled each other, as if they were tryin to eat other alive**

**Gena**

(in Nikki's ear)

You let me know how far you want this to go. I want you to feel comfortable with me. I don't want to force you into anything

**Nikki**

(holds Gena's cheek in her hand)

I am nervous but it's not because of you. I trust you completely to take care of me

**With that Gena started to kiss, lick, and suck every inch of Nikki's body. She was sure to touch every inch of her that she could with her hands. As Gena was nearing Nikki's belly button she could feel Nikki shaking and she slowed her pace and grabbed Nikki's hands and placed them behind her head to give Nikki a sense of control in the situation.**

**Gena**

You guide me where you want me to go. I wont make a move until you tell me it is ok. Is it alright if I unzip your pants?

**Nikki**

Yes

**Gena kisses softly around her stomach as she undoes he jeans and pulls them down some.**

**Gena**  
(still kissing her but lower)  
Is this ok Baby?

**Nikki**  
(soft moan)  
Yes

**Gena**  
(smiles)  
May I take these off?

**Nikki's non verbal answer was to lift her hips off the seat and Gena slid those jeans off with one motion and was already kneeling in front of her asking if it was alright to remove her panties while kissing down her leg**

**Nikki**  
(Breathlessly)  
Oh yes. Please

**At that sign of complete surrender, Gena took control and slid Nikki's panties off. Gena then removed her shirt and watched Nikki as she processed that she was about to let a woman go down on her. Not only was she about to let her, but she wanted her to. Gena could see in Nikki's eyes that she wanted to feel her mouth on her, and Gena wanted nothing more than to give her what she wanted but this was Gena's fantasy and she wanted to savor every moment. Gena began to run her hands up and down Nikki's body lingering in some places longer than others. Kissing and licking her way up and down her current playground. Nikki was writhing in agony and Gena took Nikki's hands and placed them on her body**

**Gena**  
(looking in her eyes)  
It's ok to touch me Baby. You feel so good. You want me to make love to you?

**Nikki wanted it but hesitated to say the words out of fear. Gena wanted to release this fear so she slid her hands between Nikki's legs and felt her pussy pulsating and wet as the ocean. Nikki forgot how to breathe for a split second and gasped loudly. Gena continued to rub up and down her slit producing more moans. She asked Nikki again**

**Gena**  
(looking in her eyes)

Do you want me to make love to you?

**Gena found her clit that could no longer hide under it's hood for it had grown too big and she worked it with just the right amount of pressure. Nikki moaned from deep inside and looked directly into Gena's eyes and smiled a seductive smile**

**Nikki**

Put your mouth on me Gena. I need to feel your tongue inside me now

**Gena smiled at her and disappeared between her legs. Licking her pussy up and down with a flat tongue all around and inside the outer and inner lips to taste as much of her as possible.**

**Gena**

Mmm you taste so good.

**Nikki smiled and finally relaxed when she heard Gena say that. She let the first wave of a powerful orgasm wash over her which delighted Gena who was reaping all of the rewards. Gena slowly licked up and down Nikki's slit trying not to miss a drop. Just as the wave finished in Nikki, Gena began to lick and lightly suck her clit which sent the blood rushing back to her nipples and made her pussy throb even more. Gena reached up with her left hand and proceeded to rub and pinch Nikki's nipples aggressively. Then took 2 fingers and inserted them in her and stroked her gently while still concentrating on the ridged area just behind her clit. Nikki's inner walls began to swell and that encouraged Gena to be a bit more aggressive as she pumped her faster and faster until**

**Nikki**

Oh my...I cant

**Nikki begins to buck her hips uncontrollably against Gena's face while holding her head in place screaming obscenities**

**Nikki**

Do not stop. Do NOT

**Gena groans into Nikki's mound which send vibrations and that sends wave numbers 2,3 and 4 over Nikki.**

**Nikki**

What the fuck did you just do to me?

**Gena laps up the remaining juices and licks Nikki off her fingers. With a devious giggle and a smile Gena snakes her way up Nikki's body and begins to kiss her neck.**

**Gena**

I am just trying to make you feel good.

**Nikki**

(breathlessly)

I have never felt anything that wonderful in my life. I sort of at a loss...

**Gena**

(places finger over Nikki's mouth)

Shhh. Lets just lay here quietly. Not to be selfish but I need to process that I just fulfilled a fantasy. Is that alright?

**Nikki smiled down at Gena and kissed her on her forehead. They just laid there til it was time to take Nikki home.**

**Scene Fade**

**Fades Foward**

**INT – KRIS'S KITCHEN – EVENING**

**Kris is looking at Gena like she is crazy**

**Kris**

So you had sex with her in your truck? That's crazy

**Camille**

Hell Yeah! With the way paparizzi be stalking I'm surprised yall didn't get caught.

**Gena**

Nah, not over there. I honestly don't think people even know it's over there and she was supposed to be at some event that I'm sure all the paps were at. It was the perfect situation.

**Kris**

(High Five's Gena)

Well, I can't even be mad at you. I will never say that you are talking shit again

**Camille**

Me either. Not that I thought you did.

Gena

Uh huh

**Camille**

Well wait, so was that it? Yall just had that encounter and that was it?

**Kris**

Yeah, I mean the way you were feeling her I would think you would have put it on her  
and made her wanna come back for more

**Gena**

Well, between us we have seen each other almost everyday since then. And if she is on  
the road we are on the video phone.

**Kris**

(laughing)

I see you figured out how to make money and pimp from a far all at the same time.

**Gena**

(Laughing)

Hey, I gotta make money too. And she is a big ole freak. I would say you should see the  
things she does on the phone but No you shouldn't.

**The 3 girls laugh and the doorbell rings**

**Gena**

Seriously tho, I haven't told anyone but you about any of that. So please with the  
discretion.

**Camille**

We got you G. Don't trip. Can you go grab the door?

**Gena leaves the room for the front and leaves the couple in the kitchen cooking**

**Scene Fades**
