

This is a work of fiction that involves explicit sexual acts between two women. None of these events took place and the artist mentioned is not associated with this form of activity (To my knowledge). If you are not 18 or about that life, you may want to exit stage left. Just sayin... If you like what you see, let me know

Lisa pushes Diane on her back, then straddles her.

Diane
I like it so far

Lisa
I haven't even done anything girl

Diane
Maybe I just like you on top of me. Maybe the view from here is breath taking.
Maybe your wet pussy sliding across my stomach feels amazing

Lisa
Maybe?

Diane
(*Devilish grin*)
Definitely

Lisa begins to caress Diane's skin starting at her neck, then making her way down across her collar bone. She is admiring Diane's soft but muscular frame when she abruptly looks back into Di's eyes searching for something

Diane
(*Staring back into Lisa's eyes lustfully*)
What are you looking for?

Lisa
I'll know it when I see it. But I do like what I see now

Diane
(*Stroking Lisa's body slowly*)
And what do you see, Gorgeous?

Lisa
I just haven't been looked at with such desire in so long. It's keeping me hornier than I'm used to feeling

Diane

(Gyrates hips under Lisa w/a little laugh)

Oh I can feel that. And cant wait to taste it... Again

Lisa

Slow down Sparky... I'm on

Lisa leans down and places a furious kiss on Diane, but Diane holds her face and slows the kiss down. Savoring every inch of Lisa's mouth. Their tongues begin a sexy tango in and out of each other's mouths. Lisa exploration involves Diane's teeth, and check. Diane explores Lisa's body, reaching up massaging her ample breasts with one hand and grabbing her ass with the other. Diane sits back and licks then nibbles on Lisa's soft full lips, tracing her lips with her tongue. Lisa giggles

Lisa

Mmm handsy, but you're my playground right now

Lisa grabs Diane's hands and pins them above her head forcefully

Lisa

Don't move

Diane

(Smiles)

As you wish

Lisa begins slowly tongue kissing Diane's neck, slowly moving her tongue over her collar bone, down to Diane's 38 D's gently circling her rock hard nipples. Lisa slides down Diane's body leaving a trail of juices

Diane

(To the reader)

OK yall... she is so wet that she is leaving a trail down my leg as she is kissing down my body. Every inch she is placing her lips.... Electricity!! She slides her hand down my body and cups my pussy, then begins to rub two fingers between the inner lips up and down, up and down, teasing me. Suddenly, in one smooth move she snakes back up my body and covers my mouth with a kiss while plunging her fingers into me. I was in such shock I couldn't do anything but gasp. As she pumped me slowly, I could feel her watching me

Lisa

Does that feel good?

Diane

(To The Reader)

All I could manage was a weak "Mmm Hmm". She was pumping me like a pro all the while stimulating my clit with the pressure of her palm. She was kissing my neck and then she finds it... She found my spot yall. She found that spot behind my ear. She heard my reaction and commenced to work that spot as she fingered me to the first of many orgasms. She leaned her ear in close to my mouth and I bit it as I moaned

Lisa
You sound good in my ear, Baby

Lisa pumped faster and faster bringing me to the brink of insane then she slowed down. She laughs a little and Diane reaches down and grabs Lisa's hand and finishes the job herself.

Lisa
That's how you feel?

Diane
(*Laughing*)
Mmm Hmm You were bout to be playing games

Lisa
You're funny

Lisa tries to slide off of Diane and she feels herself being blocked

Diane
Where do you think you're going?

Lisa
Nowhere. Just was goin to get off you so you could breathe. I know I'm crushing you

Diane
On the contraire, I love you weight on me... And I'm trying to get you off on me

Diane suddenly reaches down between Lisa's legs with both hands and pulls Lisa up the length of her body until her crouch was hovering over Diane's face. Lisa was taken off guard and leans forward holding herself up on the wall.

Lisa
(*Looking down grinning*)
I see. Baby is still hungry

Diane
(*Growling*)
MmmHmm

Lisa props both knees on either side of Diane's head and lowers pussy to Diane's mouth then lifts herself up quickly teasing Diane

Diane

I don't know why you're playing. You're wetter than the ocean already. Now ride me

Diane closes her eyes and inhales her scent, almost climaxing from intoxication and the anticipation of...

Lisa

(Sitting on Diane's face)

I love when you do that

Diane

(To the reader)

Now I know she is already very sensitive so I have to approach this gently so the ride doesn't end too quickly. I open my mouth and flatten my tongue as she grinds back and forth, up and down on my face. I took my hands and reached up to massage her breast and pinch her nipples while watching her writhe in ecstasy. See just kept cumming in my mouth and coating my face with her sweet juices. Lord have mercy! I must have had 2 or 3 orgasms myself as I tried to lap up every ounce of her. I took my hands and brought them down behind her the grabbed and massaged her ass. Lifted her off my some so I could properly lick her from ass to clit. Stopping only to concentrate on the fleshy area between her ass and her pussy.

Lisa looks down and almost jumps off Diane as she felt a finger enter her ass and another in her pussy. But Diane had the control and locked her free arm around Lisa's leg holding her in place

Lisa

What the fu--... What are you doin to me?

Diane never stops licking and sucking Lisa's wet cunt as she alternates pumping fingers in and out of both Lisa's holes. They are both completely gone and lost in unimaginable pleasure when Lisa goes completely stiff and she collapses onto the wall.

Diane

(To the Reader)

This is a great position for her to fall into because it puts her pussy right on my face so I can continue eating her pussy til I am satisfied I have gotten every drop. I just wanted her all over my face so I take my face and smush it around until my face is covered. She felt so good sliding across my face. I looked up and saw her smiling down at me..

Lisa

I've never seen anyone enjoy me the way you just did.

Diane

As sexy as you are, I find that hard to believe

Lisa

(Climbing off Diane)

I have to lay down. I can't hold myself up anymore

Diane helps Lisa off of her and lays back with her hands behind her head smiling

Lisa

You're pretty satisfied with yourself right now, huh?

Diane

(Laughing)

A little bit, yes

Lisa

You should be. That gloat is well earned

Diane

Girl you have no idea how much you turn me on. I was watching you sing tonight
and on full attack mode

Lisa

(Confused look)

Really?

Diane

(Turns towards Lisa and props herself up)

You put your whole self into a performance and just let yourself go... much like you
just did. When you are performing, I always imagine that you are just as free in bed
as you are on stage.

(A beat)

Just naked

The two laugh and talk for a while in each others arms until Diane realizes its 4 AM

Diane

Oh shit!

Lisa
What's wrong?

Diane
Its 4 AM! I have to get home before the traffic starts so I can get ready for work

Diane pulls Lisa closer and kisses her passionately and slowly. When they pull apart Lisa looks up like she wants to say something serious

Diane
(*Interrupts*)

I want you to know that this experience with you tonight has exceeded any and everything I could have imagined my first time meeting you would be. I knew my first time seeing you perform would blow my mind, but I've always felt we'd have this type of connection if we ever got a chance to meet

Lisa
Diane, I can't deny that you and are have this powerful connection and undeniable chemistry, but I am never in one place long enough to...

Diane slides out from under Lisa and stands up to begin getting dressed

Diane
(*Interrupts and gives Lisa a smile*)

Oh sweetie... I am not looking to tie you down. Nor do I think that this was the beginning of some torrid "An affair to remember" type love affair. I'm a big girl. I live in the real world and I know how to take things the way that they are. I don't see why we can't still be friends, or if you wanted this to be all we ever got, I'd learn to live with it. I'm just elated you even shared yourself with me at all.

Lisa
I've actually gotten to know you a bit online and this morning... I am by no means saying this just some fleeting moment but I think you understand what is happening. You are indeed a big girl. A woman!

Lisa stands up with sheet hanging around her and caresses Diane's face slowly

Lisa

I could tell you were someone that I would want in my life in some permanent capacity at some point. I was hoping we got to meet in person tonight once I knew you were coming to the LA shows. You are so funny and fun online. You have really brought the individuals in my little fan world and turned it into a network of people. I knew anyone with that kind of power to connect people like that is someone I'd want in my world in some way. I just cannot meet all my fans and hang out with them all... I have so many people pulling at me at all times. I ...

Diane

Baby, as I said, I don't expect anything beyond this. Anything past this is just icing. I'm not going to lie, I'd want more than just this moment but you have given me so much more than I could have dreamed. If you even want more, I'll be right here however you want. We are grown ups and sometimes grown ups do grown folk things.

Lisa laughs softly because she is falling a little bit for this young woman. She puts her head down from the shame of this needing to be a one night stand but Diane takes her finger and lifts Lisa's head to look her in the eye

Diane

Know that I wouldn't change one thing about all of this. You're in New York and all over the world. I'm in LA, so maybe we'll meet again somewhere in between. You and I are good.

(Gives Lisa a soft wet kiss on the lips)

I have to go now. I'm getting off early so I can't be late.

Lisa

(Sighing hard)

OK

Diane

See you in the music

Diane winks and leaves her card on the table by the door. Diane exits the door and it closes behind her.

Diane

(To The Reader)

I know it sounds far fetched and like a dream, but I can assure you it happened just like that. I can not lie, I would love to do that every day with her. She is the most amazing woman I have ever met. She is so sexy, and everything anyone could ask for. But the reality is that it probably was a fleeting moment in history.

Diane backs into her driveway

Diane

(To the Reader)

Alright yall, gotta go get ready for work. Maybe we can do this again.

(Jumping out the car and running in the house)

Maybe at the next show she has up north this weekend

Diane laughs and winks before shutting the door
