Fillies, and a number of amateurs, compete annually in thousands of races across the States. Thousands of other races, tours, prizes and sprints offer strong competition and erotic entertainment in other lands. At any given second in the world, a fillie is warming up, trotting or panting (exhausted) from her race.

The major heterosexual filly events in the States are as follows:

Presidential Invitational (President's Day Weekend in Arlington, Virginia); 25 lap

Virgin Sprint (Good Friday in Sarasota, Florida); Lower yoke; 8 lap; Contestants inspected, sealed and belted.

Novice Tour (Easter in Sumter, South Carolina); Lower yoke; 1, 4 and 8 laps; open only to farm graduates in the past six months who have never raced professionally

Grand Gary 500 Tour (Memorial Day in Gary, Indiana); 500 laps; teams; Lesbians allowed

Bridal Invitational (Fourth Sunday in June in San Jose, California); 1, 4, 8 and 25 laps; June brides only in full attire

Lawyer Independence Day Jaunt (July 4th weekend in Germantown, Pennsylvania); Lawyer only; Lower yoke; 25 laps

Slut International Marathon (Labor Day in Springfield, Massachusetts); 100 laps

Unorthodox Hike (Yom Kippor in Babylon, New York); Jewish only; Lower yoke; 50 laps

New York Trek (Thanksgiving weekend in New York, New York); 100 laps

Xmas Xcountry (Xmas weekend in Mesa, Arizona); 4 laps

Nick's North Country Festival (Xmas weekend in Duluth, Minnesota-indoors); 10 laps

Amateur Bondage Promenade (New Year's Day in El Paso, Texas); Lower yoke; 1, 2, 4, 8 and 50 laps; untrained only

Rookie Walk (New Year's Eve in Joplin, Missouri); Lower yoke; One year or less in yoke; 4, 8, and 100 laps

Professional fillies must have been registered by their owners and certified as schooled by an accredited farm. Fillies are numbered

and the tattoo or brand of their farm marked on their bottom. Prizes are offered for the race winners.

Amateurs may compete in most races as long as their entry fee is accounted for. Their owners cannot win any prizes. Involuntary entrants, such as a trio of girls accosted and yoked, are entered as amateurs and are sold after the race to pay back entry fees.

Friday nights tend to be amateur and/or virgin nights on numerous farms. Every farm also has training races every 3 to 8 weeks with graduation date sparking a diploma chase.

A number of sensational lesbian races are held. The best known is the San Francisco Invitational in September which features both former heterosexual girls converted to lesbian and natural lesbians in separate gruelling races of 2, 4, 8, 25 and 100 laps.

The same girls can often be found dragging carriages in races with their former owners in Anaheim in October. Men find breaking a lesbian to the yoke irresistible. And having two former lovers in one bed after a 25 lap haul is exciting as the girls are acquiescent and passive to all orders and commands.
