

## Abused at the Thompson's

Since my sissification at the hands of George and my wife and our following enslavement at the Thompson's, our humiliation and degradation at the hands of our superior black owners continues.

Mrs. Thompson our Mistress and Mr. Thompson, one of our Masters, keep us at their large house for the duration of our servitude.

We are kept in the slaves' quarters in a bedroom where we do most of our work. Our days were filled with humiliating sexual duties, serving our Masters and Mistresses as they saw fit. I loved sucking cocks and slurping cum from my wife's cunt and ass, Mr. Thompson particularly enjoyed a good rimming especially in front of select guests before I would be made to beg them to use my wife and myself. Mrs. Thompson enjoyed having my wife kneel before her as she used her face to rub her pussy before taking her with a two pronged dildo so she could fuck both her cunt and dirty white bum hole.

Mrs. Thompson opened the door to find us kneeling on the floor ready to serve, she brought with her two young black girls.

"This is Miss Jemma and this is Miss Angela," she announced "they are students from my class on the superiority of black people and they have come to learn about the power of sex and subjugation in the control of pathetic white slaves like you, as an assignment. You will answer any questions they may ask and perform any tasks they may set, do you understand?"

"Yes Mistress" We replied.

The girls just stared at us giggling, then they walked around us looking at us, my wife was naked apart from high heel shoes as required by our enslavement, I was dressed and fully made up in a frilly maids outfit with matching lingerie and shoes.

The girls set up a video camera on a stand to film their assignment Miss Angela spoke first " tell me slut" she said to my wife " what are your duties here?"

"I am a cunt, Miss Angela," my wife replied "I have a sloppy cunt and a dirty white bum hole which are used for my masters pleasure and I serve my mistress with my tongue and face and all my holes are open for her use."

Then Miss Jemma asked me "sissy what are your duties?"

"I am a cuckold faggot sissy Miss Jemma" I replied "I serve my masters and mistresses with my mouth, sucking cocks, licking pussies and ass holes, I also clean sluts sloppy cunt and dirty white bum hole after I have begged Masters and Mistresses to use her in front of me. My sissy love hole is open to all who wish to use it, I do not have a cock, I have a sissy peepee which makes sissy goo when I am allowed."

The two girls just laughed as we knelt, heads bowed in front of them.

Miss Angela then said "So Jemma, we have a white married couple who submit daily to sexual degradation and humiliation at the hands their superior black masters and mistresses."

"Well Angela I think in the pursuit of our research for Mrs. Thompson's assignment we had better see what they do" Jemma replied.

They fell about in a fit of giggles.

"Slut stand up and show Miss Angela and I your dirty white bum hole" ordered Miss Jemma.

My wife stood before the girls, turned around and bent over, her hands pulling the cheeks of her bottom apart to reveal her anus.

"Eeuww what a disgusting dirty white bum hole" said Miss Angela, "How many cocks have been in there slut, lots I'll bet" they both burst out laughing, my wife shuffled her feet in humiliation, bent over exposing her anus to them. They whispered to each other, giggling and looking at my wife then at me kneeling by her side.

"Kiss your wires bum hole sissy" said Miss Jemma in a fit of giggles.

I kissed my wife's ass hole, the two girls howled with laughter

"Push a finger in there slut, show us how slack your bum hole really is" Miss Jemma ordered, giggling.

My wife moved her first finger to the edge of her puckered hole.

"Slowly slut slowly, we want to see how easily your dirty white bum hole opens!" Miss Angela said.

My wife slowly inserted her finger into her bottom as the girls howled with laughter.

"Push it in and out till we tell you to stop slut, tell us how much you love it" Miss Jemma said.

"Mmmmm, thank you Miss Jemma, I love finger fucking my dirty white bum hole, I am such a dirty slut" my wife responded.

"Now sissy stand up, turn round and pull down your girly panties" Miss Angela ordered.

I did as I was told, sliding my lacy panties down to my knees exposing my bottom.

"Turn round sissy, we want to see your little peepee" Miss Jemma said, the two of them giggling as I turned holding my dress up revealing my hard little peepee. The laughter, gleeful pointing and derisory comments made me harder than ever, the taunts about my peepee looking more like my wife's finger than a real cock made me blush which only made the two young ladies worse.

I was that turned on by the total humiliation my peepee began to drip sissy goo in front of them.

"Turn round sissy, I want to see your love hole." Ordered Miss Jemma  
I turned round. "Bend over sissy, next to your slut wife and spread your queer boy ass cheeks for us."

I meekly bent forward, reached behind and spread the cheeks of my bottom, the pad and pull ring on my plug clearly visible to the giggling girls. I felt a tug as one of them pulled on my plug. My plug was pulled out and I was told to turn round, Miss Angela pushed my butt plug into my mouth and fucked my mouth with it for a minute or two.

"Eeuww it's been in your ass and you sucked it clean how gross," commented Miss Jemma.

They whispered again and giggling they ordered my wife to kiss my sissy love hole then they made us kiss each other commenting how gross it was to kiss with ass on your lips.

My wife then returned to fingering her own ass as I turned and began the same in front of the two giggling mistresses.

Miss Angela made a phone call; we both heard her talking down the phone.

"Hi, Todd...listen do you fancy fucking a white middle aged slut up her arse?.....You do, great, you know Mrs. Thompson's..... yeah be here in an

hour.....sure you can cum in her arse.....by the way the sluts husband will be here.....no, he's a faggot in a dress..... Panties and everything..... he wants to suck your cock and lick your asshole.....yeah really stick his tongue up in there.....we'll make him suck your cum out of his wife's arsehole too.....great it'll be fun.....me and Jem are here.....the slut is finger fucking her arse in front of us right now.....what a slut yeah..... we are going to make her husband do the same then have some fun with them.....you will be able to watch cos we are filming it all.....see ya."

My plug was pulled out and I was ordered to start inserting my finger and the girls giggled as I fucked myself in front of them. We must have looked a right sight bent over bottoms facing these two young mistresses our fingers sliding in and out of our ass holes.

Miss Jemma decided my wife should lick her pussy, she was ordered to kneel before the student and beg to service her sweet young pussy. She was made to remove Miss Jemma's tiny thong and hold it to her nose while the girls called her a dirty panty-sniffing slut.

Miss Jemma then pulled her face in between her legs and began vigorously humping her face as she was made to lick her pussy.

Miss Angela made me kneel and as she wiggled her panties down I was ordered to push my face between the cheeks of her lovely pert bottom and lick her ass hole.

I heard the door open and Mrs. Thompson's voice, " I brought you these, Sissy knows what to do with them, and he and slut are very good with them too."

I knew she had brought our face dildos. We wore them partly as humiliation but mainly so we could pleasure others by face fucking and licking at the same time. Miss Jemma told Mrs. Thompson that Todd was going to join them to fuck slut in her arse, I heard Mrs. Thompson reply that it was ok and she would bring him down when he arrived.

Miss Angela and Miss Jemma lost no time in instructing us to put the face dildos on, our faces were straddled and they began humping our faces as we licked their ass holes. Miss Jemma held my wife's legs up in the air and made her finger fuck her dirty white bum hole in preparation for Todd. Miss Angela reached across and started pulling on my wife's nipples " look at these floppy cow tits" she said laughing, " I bet she goes faster when I pull on them."

Miss Angela ordered me to rub my peepee but not to squirt my sissy goo. " I want Todd to see your pathetic little cock all hard and dripping so he knows that sucking his cock and licking his ass is turning you on cos you're a faggot sissy" she said laughing as I played with myself.

The two students rested a while, our dildos inside their pussies, our tongues lapping, probing and tasting their lovely assholes.

"Tell me sissy" Miss Angela said " do you like being fucked by big black cocks?"

"Yes miss" I replied from between her butt cheeks.

"Do you like the taste of black cocks cumming in your mouth?"

"Yes miss, I love the taste of men's cum." I replied

"Do you like to watch your wife being fucked, filled with black men's cum? Do you like being made to lick it out of her?"

Yes miss, I realised a long time ago I was a submissive white sissy and I love my role here as Mr. and Mrs. Thompson's sissy maid"

"And you slut, do you enjoy being forced to eat pussy, worship black mistresses and get fucked in any hole by men or women?"

"Yes Miss Angela, I realised after I found out about my husbands sissy life that I too wanted to serve superior black owners."

Miss Jemma and Miss Angela discussed us between themselves, they obviously wanted to own white slaves themselves and Mrs. Thompson's class on black superiority was mainly about the use of sexual submission to control white slaves.

We were pushed away the chin dildos wet with pussy juices.

"Lets make them clean them" Miss Jemma said, "kiss each other slaves"

We opened our mouths and moved to kiss, the dildos entered our mouths, my wife sucking the one that had been inside Miss Angela, I sucked the one Miss Jemma had used.

The door opened and Mrs. Thompson's voice called "Todd is here".

"Kneel to welcome Master Todd Sissy, Slut bend over to show Master Todd your dirty bum hole" Miss Jemma ordered.

The dildo was unfastened from my face; the girls left my wife wearing hers. I knelt beside my wife who turned, bent over and parted her buttock with her hands to expose herself to the young man.

Todd came in, he was well built, tall and very dark skinned.

"Hey Ange, Jem, how's it goin'. Wow you weren't joshing on the phone, is that the white slut showing me her hole?" He said.

"Hi Todd" the girls chorused

"Yeah, that's her, wants it deep and hard right up her ass" Miss Jemma said "and this pathetic sissy is her husband, what do you want ask Master Todd sissy?"

"Please Master Todd, may sissy suck your lovely cock and lick your lovely balls and ass before you fuck sissies slut wife, sissy would also beg to suck you clean after you have used my slut wife." I stammered

"Fuck! Are they for real? Really married? Todd asked Angela

"Sure Todd, just like Mrs. T teaches us, white women are good for fucking, white men are good for sucking."

Todd stood in front of me, he loosened his jeans and they fell to his knees, he kicked off his trainers.

"Pull down my boxers sissy" he ordered.

I gently tugged at his boxers, as I moved them down to help him dusted out of his jeans and boxers, his soft cock slapped the side of my face, I turned to face the blackest cock I had ever seen. The head was peeking out contrasting pink and black; his wiry pubic hair ringed the base of his cock with two lovely black balls hanging below. My mouth went dry and my little peepee twitched at the sight of his beautiful manhood.

"Beg to worship it sissy" Miss Angela said.

"Please Master Todd, May sissy kiss and lick and suck your beautiful cock," I cooed.

Master Todd took hold of his cock and slapped my face with it; he then rubbed it across my face. I opened my mouth for him to push it in but Master Todd stepped back.

"Want it sissy?" he said

"Oh yes please master Todd, I want to worship your lovely cock" I replied

"Gonna lick my asshole too sissy?" he asked

"Oh yes Master Todd I will sir, I will lick and worship your ass hole" I replied  
"Crawl to me on your knees you sniveling faggot sissy and kiss my cock" He commanded

"Oh yes Master Todd Thank you Master Todd" I replied, crawling forward on my knees puckering my lips preparing to worship his cock. I was eye level with his crotch and gently holding his cock between my two hands as if in prayer I began to kiss the head, I pulled back his foreskin and licking my lips I took the head of his cock into my mouth, I rubbed my tongue across it then rubbed the underside of the glans, his cock began to harden and I moved my hands so I could start moving my face closer to his body taking more of his cock in my mouth, I alternated between sucking hard, tasting fresh pre-cum and fucking my mouth with kissing and licking up and down the now hard shaft so that I could flub my face in his pubic bush and suck and kiss his balls.

"Fuck!" He said, "this faggot sucks better than a white chick, much more of this and I'm gonna blow my load"

"Make him lick your ass Todd," said Miss Jemma

Todd pushed me off his cock and sat down on the edge of the bed.

"Crawl in here sissy" he ordered opening his legs and lying back, I crawled forward between his legs.

"What can you see fag?" He asked

"I can see your asshole Master Todd" I replied

"Get licking fag, I want to feel that soft tongue in my hole!"

"Yes Master" I replied pushing my face in under his balls and probing his asshole with my tongue.

"Hey slut" Todd said "start dancing slow and sexy, show us your sloppy wet cunt and saggy titties, you white cow, while your queer boy husband licks my ass, when I'm through with him I'm gonna fuck your arse into next week!"

As I licked and kissed Master Todd's ass, I reached up and continued to masturbate his erect cock and stroke his big hairy balls. I felt hands pull my bottom cheeks apart and something hard at the entrance to my sissy love hole as my plug was re-inserted and heard the unmistakable giggle of Miss Jemma and Angela. My poor little peepee was so hard it hurt and I was sure my panties were wet with dribble.

A hand touched the front of my panties and Miss Angela exclaimed that I was still all hard but had wet my panties. There was giggling from behind.

"Look at her ugly white cunt, it's all sloppy and wet" I heard Miss Angela say, "go on hold it open slut, how many big cocks have you had in there eh slut?" She continued.

"I bet you've lost count haven't you slut?" Miss Jemma added

"Yes Miss Jemma" my wife responded, panting as she displayed herself, "slut has lost count of the number of cocks she has serviced with her cunt Miss"

I was working my tongue in and out of Master Todd's hairy ass hole, licking around the rim and across to just under his big hairy balls.

"Man, this faggot licks ass good" he said to the girls "I am going to have to get me a white slave cos I could get used to this."

"Fetch some lube slut, I want to see your fag husband lube your hole before he holds you open for my cock" Master Todd ordered.

He pushed me away from his asshole "Time to fuck your wife up her ass faggot" he sneered.

"Yes Master Todd" I replied.

"Beg me to fuck her sissy faggot, beg me to shove my black cock up your wife's slack asshole, beg me to fill it full of cum, come on faggot on your knees in front of the cock you sucked, kiss my cock and beg!"

I got on my knees, my face level with his lovely erect cock, I lent forward planting a sloppy kiss on his cock "Please Master Todd, this sissies wife needs to feel your lovely cock in her dirty white bum hole Master, please fill her hole with your seed, use her as your cum dump Master" I begged, I kissed his cock again and taking the lube from beside my wife who was now on all fours on the bed presenting her holes to Master Todd I lubed her dirty white bum hole and held her buttocks apart to open her hole for Master Todd.

"Is there anything these white slags won't do for black cock?" Miss Angela commented as Master Todd began easing his long black rod into my wife's asshole.

My wife moaned loudly as his cock fully penetrated her, she was pushing back against his crotch as he filled her ass with his cock, "Now watch faggot as a real cock fucks your slut wife" he sneered.

"Yes Master Todd, push your big cock into my wife" I meekly replied.

The two girls positioned themselves so they too got a good view of Todd's huge cock stretching my wife's asshole as he began to pump his cock in and out of her white bum hole.

"Hold up your dress sissy" Miss Jemma ordered. I did as I was told, the giggling girls howled with laughter at the sight of my poor hard cock straining my wet panties. "Ahhh does poor sissy want to spurt his sissy goo?" she giggled

"Yes Miss Jemma, please Miss Jemma once Master Todd is finished and I have licked my wifes dirty bum hole clean, may I spurt my sissy goo?" I begged.

"We will see sissy we will see" she replied giggling.

Miss Jemma decided she wanted her ass hole licking while she watched my wife's ass ravaged by Master Todd so I was made to crawl round behind her and lick her little tight hole.

The two girls were urging Master Todd on; Miss Angela had gone in front of my wife and was using her face dildo to rub her pussy with as Master Todd hammered her asshole with his cock. She was moaning with each thrust up her ass as her face was pushed into Miss Angelas smooth pussy.

Master Todd began to groan as he started to pump his cum deep inside my wifes bowels, his semi hard cock slipping from her well used gaping hole.

Miss Jemma stepped away from my face her sweet ass still wet from my tongue. Master Todd pushed his cock into my face, I opened my mouth and began to gently susk and lick him clean, tasting cum, lube and assjuice on his softening cock. My wife remained motionless on the edge of the bed waiting for my mouth to service her, Master Todds spunk beginning to dribble from worn ass hole.

I moved behind my wife and started to lick up and down her crack, each pass of my tongue brought a fresh dribble of spunk from her ass and a moan from her mouth.

"Euwwww" Miss Angela said "You dirty spunk hungry sissy fag" as both Miss Angela, Miss Jemma and Master Todd watched as I licked and sucked on my wife's ravaged ass.

Master Todd had to leave, the girls were left watching me clean my wife's bum hole.

Miss Jemma whispered something to Miss Angela, both giggled.  
Miss Jemma said "If you beg nicely sissy we will let you rub yourself off for us and squirt your goo, would you like that sissy?"  
"Yes Miss Jemma, I would" I replied  
"Please Miss Jemma, Miss Angela may I be allowed to rub my little peepee, its all hard and aches so much, please may I rub it and squirt my sissy goo, please please let me" I begged  
They ordered my wife to kneel on the floor, I was made to stand facing her lift my dress and drop my panties to my knees. My cock was sticking straight out rigid and dripping.  
"You may squirt your sissy goo on your slut wife's saggy tits, sissy"  
Miss Angela said, "go on start rubbing that peepee of yours and while you rub it tell us how much you love being a sissy sex slave."  
I began touching myself gently as I told them how I loved the taste and smell of black men's cocks and how much I had always felt the need to kneel and suck them, I had just begun telling them about how licking men's assholes turned me on because of the humiliation and degradation of the act when my little peepee erupted and my goo squirted all over my wife's tits.  
"Kneel in front of your wife sissy and lick your mess off her tits" Miss Jemma ordered and I knelt and began licking.  
We heard the door shut and they were gone. Mrs. Thompson, told us we had performed well and for us to clean up ready for our next duties.

Just a fantasy, hope you enjoy reading
