

The Night Mare

The sound of brrrr...brrrr .brrr woke Drew..too early. He grabed his cell phone.

“Yeah...”

“Drew it is Mad. I need you come over as soon as possible” Maddy said.

“Huh....” Drew said sleepily.

“DREW, GET OVER HERE NOW, please. It is VERY IMPORTANT!!!!” Mad shouted..

“Ok ..Ok..” Drew got up, threw some clothes, then shoes and wandered down stairs to the garage. Got his bike kit, and open the door and headed to Maddy’s.

A little while later Drew headed up the street to the Peters Estates. Maddy was waiting for him outside. “Drew, my cousin just sent me some email and it involves you.”

“Oh?”

“Not good email. It appears people know about you and Gaby” Mad said.

“Shit” comment Drew as they entered the house and went to the computer.

“One on my cousins works for one of the tabloids, and this is what is going to press today” Mad said.

Mad opened up the email and the attachment.

Scandal rocked the bicycle circuit today as the local police arrested Andrew Bond; also known as Drew Bond, Dee Bond, Gabriele Thomas, Gabriele Peters, and Gabriele Bond. No official announcement has been made, but out SUN reporter has found that the Headmaster of Andrew's school was sacked for inappropriate behavior. It appears he hired Andrew to impersonate a girl for the school brochure and had Andrew at least one change clothes in his office.

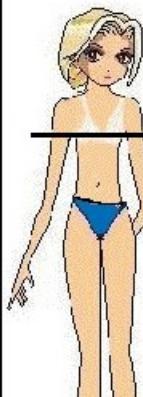

Mr. Wood stated that he was not in the room when Andrew became Gabriele, but out reporter has unearthed a photo that shows that he was. Several payments in the excess of £500 in checks from the school to pay Gabriele for services rendered.

This all started when topless photos of Gabriele Bond, then thought to be Jenny Bond's daughter, now confirmed to Ms. Bond's son. It appears that Andrew was also competing as a female in the bicycle circuit as well as being the National Champion.
